Hi Ciara

Thanks for spotting this and apologies for the error.

Subsequent to the discharge of my report on ACP-323932-25, I note that I used an incorrect reference to ACP-323606-25 in the 'footer' of the report.

This was simply a typographical error.

I confirm that all other aspects of my report relate to the correct case ACP-323932-25.

Apologies for any confusion that this may have caused.

Thanks
Rachel

Hi Rachel,

I hope you are well.

The case, ACP-323932-25, has been decided.

When I was uploading the decision documents to Plean-IT, I noticed that the case number on the footer of the Inspectors Report is a different case number (323606 instead of 323932).

Please could you confirm that this is a typographical error.

We can then add this confirmation email to the file.

Please see below wording from a previous case if it's any use to you for a reply:

Subsequent to the discharge of my report on ACP-XXXXXX-XX, I note that I used an incorrect reference to ACP-XXXXXX-XX in the 'footer' of the report.

This was simply a typographical error.

I confirm that all other aspects of my report relate to the correct case ACP-XXXXXX-XX.

Apologies for any confusion that this may have caused.

Many thanks,

Ciara
