Ref: Kilkenny County Council / Graiguenamanagh Tinnahinch Flood Relief Scheme

I wish to submit the following submission in relation to the Graiguenamanagh Tinnahinch Flood Relief Scheme.

I am a landowner neighbouring the proposed Storage Area of the Flood Relief Scheme. My land is situated on both sides of the stream and my animals access grazing grounds over a small bridge across the stream. I am concerned that when the Flow Control Structure is in place and following periods of heavy rain, my lands may flood which would adversely affect the farm enterprise/farm valuation.

I would be concerned for animal welfare during and after periods of continuous heavy rain. New structures & fencing at both sides of the river may be required to safeguard the animals from flooded areas. We expect that the affected lands may be much wetter and less usable going forward.

We look forward to hearing from you to discuss further.

Regards,

Thomas O Shea.
