Hi Eimear,

Further to our phone call this morning, I am writing to formally request an extension to the response period for submissions made regarding the application at Knockharley Landfill, Co. Meath.

The current deadline is the 24th March 2026 . We would be grateful if the response period could be extended to the 13th April 2026.

We are seeking the extension to address all observations within a single report.

The timing is particularly challenging due to the reduced working days around St. Patrick's Day and the Easter holiday (Good Friday and Easter Monday). The extension will result in approximately two full business weeks to prepare a response.

Any response would be greatly appreciated!

Kind Regards,
Gac dea guí
