**Subject: Water Supply Project Eastern and Midlands Region (An Coimisiún Pleanála Ref. PA92.323980)
Response to Additional Submissions on the Strategic Infrastructure Development application**

Dear Sir/Madam,

On behalf of our client Uisce Éireann, Colvill House, 24-26 Talbot Street, Dublin 1, we refer to your email of 1 September inviting Uisce Éireann to make a submission on 43 additional submissions received in relation to the Water Supply Project Eastern and Midlands Region. We are specifically referring to these as 'Additional Submissions' to distinguish them from previous responses.

We are pleased to enclose by way of electronic copy our response to the Additional Submissions. The response comprises the Response to Additional Submissions Report and supporting Appendix (Appendix A).

We have reviewed each of the Additional Submissions and Appendix A lists each of them and identifies where in the Additional Submissions Report they are responded to.

The Response to Additional Submissions Report should be read in conjunction with the previous Supplementary Response to Submissions and the Response to Submissions Report, issued to An Coimisiún Pleanála on 2 June and 6 May 2026. The Response to the Additional Submissions Report follows the same chapter topic structure as these previous reports however for each chapter we have separated the report into the following:

- matters raised previously which we are relying on our previous response;
- matters raised previously in relation to which we are offering further clarification; and
- new matters.

We have cross-referenced back to the application documentation, the Supplementary Response to Submissions and the original Response to Submissions Report where we have considered it helpful.

I confirm that, as requested, we have not included any additional or supplementary information and have confined our response to the issues raised in the observations received by An Coimisiún Pleanála.

I trust that everything is in order. However, if any matters arise, please do not hesitate to contact me directly.

Yours sincerely,

Simon White
Project Manager
