Irish Water/Uisce Eireann – By email to watersupply@water.ie

Dear Sir/madam,

‘Uisce Éireann is proposing the Water Supply Project Eastern and Midlands Region to provide a new supply to address the projected need for drinking water and increase the reliability of supplies in the Eastern and Midlands Region. The Proposed Project consists of an abstraction from Parteen Basin on the Lower River Shannon in County Tipperary, a new 172 km pipeline, five associated infrastructure sites, a Flow Control Valve and other ancillary infrastructure to treat the raw water to drinking water standard and transfer it to a new reservoir at Peamount in County Dublin.’ - ...a **supply of water for the purpose of increasing, extending**, or providing a supply of water under the Public Health Acts...

Take Notice;

1. That I Michael Hoey of 152 Crann Nua, Portarlinton, County Laois, R32 PP68 is a Navigation Authority for the purposes of section 21 of the Water Supplies Act of 1942. I have a live Interference Notice issued to Kildare County Council (which is being ignored with due process being denied since 2003) which has the force of law.
2. That no payment of damages and compensation has been paid since November 2001.
3. Section 114 (4) of The WATER ENVIRONMENT (ABSTRACTIONS AND ASSOCIATED IMPOUNDMENTS) ACT 2022 (No 48 of 2022.) applies;-

‘ (4) Where an application for compensation under sections 14 to 16 of the Act of 1942 has not been determined pursuant to those sections before the date of the coming into operation of section 7 (1)(a), **the Act of 1942 shall continue to apply** notwithstanding the repeal of that Act by section 7 (1)(a).’
4. I am requesting you Uisce Eireann to include in the Book of Reference and notify individually, me, Canalways Ireland Ltd. and Quigley’s Boat Hire of your proposal under section 21 of the Water Supplies Act of 1942, to the above address.

Yours Sincerely

Michael Hoey
