(Please quote our reference "IN 092" in all correspondence)

Director of Services/County Secretary,
Kildare Co. Council
St. Marys
Naas
Co. Kildare

17/01/02

Dear Sir/Madam

I as a "navigation authority" under section 21 of the Water Supplies Act 1942 do hereby serve formal, interference notice, under section 21 of the above Act, on Kildare County Council, being the sanitary authority, proposing the taking of water from sources of water, (including but not confined to, the Proposal to Abstract Water from the River Barrow, the Proposal to abstract Groundwater from the North Kildare Aquifer, Robertstown, County Kildare, water abstraction at Hybla, Rathangan, etc.) for the purposes of a water supply, on the grounds that the taking of such waters in accordance with such proposal shall make the Navigation of the relevant Navigable waters impossible or unreasonably difficult.

Please see my objection to Proposal to abstract water from the River Barrow, and sources of the River Barrow including, my objection to proposal to abstract Groundwater at Robertstown, Rathangan, Johnstown Bridge, Hybla, and the Kildare Bypass.
All submitted and stamped on the 17th January 2002.

Yours Faithfully,

Michael Hoey
