5. The proposal to Abstract Groundwater at Rathangan, County Kildare.
6. The proposal to Abstract Groundwater at Johnstown Bridge, County Kildare.
7. The Well field integrated into the road drainage system for the Kildare Bypass.

Dear Sir/Madam

Would you please confirm whether, Waterways Ireland was formally notified, by the relevant Authorities, of each, of the above-mentioned individual projects, both collectively and or individually, as listed by me, and numbered 1 to 7.

I would appreciate a comprehensive, clear or non-technical statement, in response to my question to clarify the situation as regards formal notification by the respective Local Authorities.

Yours Thankfully

Michael Hoey
