The proposed N70 Waterville to Ballybrack Road Improvement Scheme is through the townlands of Waterville, Ballybrack and Eightercua in Co. Kerry.

In our opinion, the appropriate development consent statutory process is an application to An Coimisiún Pleanála for consent for proposed development under Part XAB, Section 177AE, of the Planning and Development Act 2000 (as amended).

Kerry County Council hereby makes an application to An Coimisiún Pleanála for consent for the proposed development under Section 177AE of the Planning and Development Acts 2000 (as amended).

A Compulsory Purchase Order, to which the proposed road development relates, has been made by Kerry County Council and will be submitted to An Coimisiún Pleanála under separate cover.

Is mise le meas,

---
