N70 WATERVILLE TO BALLYBRACK ROAD IMPROVEMENT SCHEME

To: The Minister for Housing, Local Government and Heritage
Of: Department of Housing, Local Government & Heritage
c/o The Manager, Development Applications Unit
Department of Housing, Local Government and Heritage
Newtown Road
Wexford
Y35 AP90

Kerry County Council (as a local authority, planning authority and road authority) intends to apply under section 177AE of the Planning and Development Act 2000 (as amended) to An Coimisiún Pleanála for consent for proposed development consisting of a 1.4km (approximately) online improvement of the N70 to an all-purpose road with a shared use cycle and pedestrian facility including bridge and all ancillary and consequential works in the Townland of Waterville, Ballybrack and Eightercua in County Kerry.

Kerry County Council has prepared a Natura Impact Statement (NIS) under Part XAB of the Planning and Development Act 2000 (as amended) for the purposes of Articles 6(3) of the Habitats Directive (92/43/EEC) which will also be submitted to An Coimisiún Pleanála.

An Environmental Impact Screening Report has also been prepared which concludes that EIA is not required.

A copy of the application including Natura Impact Statement and Environmental Impact Screening Report is enclosed on CD. If you require a hard copy of these documents, please contact Mr Cathal Curtin at the address below.

The Natura Impact Statement (NIS) may be downloaded free of charge from the Kerry County Council website <https://consult.kerrycoco.ie/en/browse> which can also be accessed directly through the Kerry County Council website www.kerrycoco.ie.

Submissions may be made in writing to An Coimisiún Pleanála at The Local Authority Projects Section, An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1 (Eircode D01 V902) in relation to:

- the likely effects on the environment of the proposed road development;
- the implications of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed road development;
- the likely significant effects of the proposed road development on a European site, if carried out between January 5th 2026 and February 17th 2026, both dates inclusive.

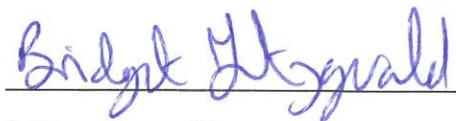

An Coimisiún Pleanála may give approval to the application for development with or without conditions or may refuse the application for development.

Kerry County Council (as a local authority, planning authority and road authority) intends to apply under section 177AE of the Planning and Development Act 2000 (as amended) to An Coimisiún Pleanála for consent for proposed development consisting of a 1.4km (approximately) online improvement of the N70 to an all-purpose road with a shared use cycle and pedestrian facility including bridge and all ancillary and consequential works in the Townland of Waterville, Ballybrack and Eightercua in County Kerry.

Kerry County Council has prepared a Natura Impact Statement (NIS) under Part XAB of the Planning and Development Act 2000 (as amended) for the purposes of Articles 6(3) of the Habitats Directive (92/43/EEC) which will also be submitted to An Coimisiún Pleanála.

An Environmental Impact Screening Report has also been prepared which concludes that EIA is not required.

A copy of the application including Natura Impact Statement and Environmental Impact Screening Report is enclosed on CD. If you require a hard copy of these documents, please contact Mr Cathal Curtin at the address below.

The Natura Impact Statement (NIS) may be downloaded free of charge from the Kerry County Council website <https://consult.kerrycoco.ie/en/browse> which can also be accessed directly through the Kerry County Council website www.kerrycoco.ie.

Submissions may be made in writing to An Coimisiún Pleanála at The Local Authority Projects Section, An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1 (Eircode D01 V902) in relation to:

- the likely effects on the environment of the proposed road development;
- the implications of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed road development;
- the likely significant effects of the proposed road development on a European site, if carried out between January 5th 2026 and February 17th 2026, both dates inclusive.

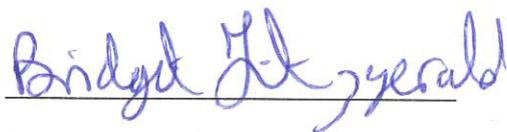

An Coimisiún Pleanála may give approval to the application for development with or without conditions or may refuse the application for development.

N70 WATERVILLE TO BALLYBRACK ROAD IMPROVEMENT SCHEME

To:

Of: DPO Network
By Email

Kerry County Council (as a local authority, planning authority and road authority) intends to apply under section 177AE of the Planning and Development Act 2000 (as amended) to An Coimisiún Pleanála for consent for proposed development consisting of a 1.4km (approximately) online improvement of the N70 to an all-purpose road with a shared use cycle and pedestrian facility including bridge and all ancillary and consequential works in the Townland of Waterville, Ballybrack and Eightercua in County Kerry.

Kerry County Council has prepared a Natura Impact Statement (NIS) under Part XAB of the Planning and Development Act 2000 (as amended) for the purposes of Articles 6(3) of the Habitats Directive (92/43/EEC) which will also be submitted to An Coimisiún Pleanála.

An Environmental Impact Screening Report has also been prepared which concludes that EIA is not required.

A copy of the application including Natura Impact Statement and Environmental Impact Screening Report is enclosed on CD. If you require a hard copy of these documents, please contact Mr Cathal Curtin at the address below.

The Natura Impact Statement (NIS) may be downloaded free of charge from the Kerry County Council website <https://consult.kerrycoco.ie/en/browse> which can also be accessed directly through the Kerry County Council website www.kerrycoco.ie.

Submissions may be made in writing to An Coimisiún Pleanála at The Local Authority Projects Section, An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1 (Eircode D01 V902) in relation to:

- the likely effects on the environment of the proposed road development;
- the implications of the proposed development for proper planning and sustainable development in the area in which it is proposed to situate the proposed road development;
- the likely significant effects of the proposed road development on a European site, if carried out between January 5th 2026 and February 17th 2026, both dates inclusive.

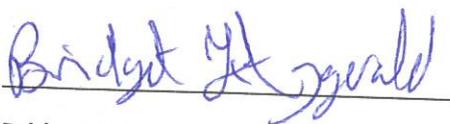

An Coimisiún Pleanála may give approval to the application for development with or without conditions or may refuse the application for development.
