Re: Landowner consent for submission of planning application by ESB for 110 kV / MV substation and associated works.

Dear Sir/Madam,

As the registered owner of the lands in folios MH24346F, I consent to my lands being included within the red line boundary of any planning application(s) made by or on behalf of Electricity Supply Board for the development of a 110 kV / MV GIS substation and associated works on the specified land.

Yours faithfully,

Daire O'Neill
