RE : ACP-324033-26 Proposed development of a soil recovery facility in the townland Kilmartin, Coyne's Cross, Co. Wicklow

A Chara,

I am writing in reference to ACP-324033-26 Strategic Infrastructure development at Kilmartin, Coyne's Cross, Co. Wicklow lodged to An Coimisiún Pleanála on the 19th January 2026.

It is noted that the letter indicates that the deadline for the report is the 30th March 2026. Section 37E(5) (6) provides that the Planning Authority shall

(5) The chief executive of a planning authority shall, before submitting any report in relation to a proposed development to the Board under subsection (4), submit the report to the members of the authority and seek the views of the members on the proposed development before submitting any report in relation to a proposed development to the Board under subsection (4), submit the report to the members of the authority and seek the views of the members on the proposed development.

(6) The members of the planning authority may, by resolution, decide to attach recommendations specified in the resolution to the report of the authority; where the members so decide those recommendations (together with the meetings administrator's record) shall be attached to the report submitted to the Board under subsection (4).

The Planning Authority wishes to advise you, that at this time the only Council meeting that the Chief Executive can present the report is the April meeting.

This conflict has arisen due to the restricted time available to prepare a report for the March meeting, and the need for this report to be completed by the 20th February 2026 for issuing with the Agenda for this meeting.

It is therefore requested, that in accordance with the legislation An Coimisiún Pleanála could allow for a longer period for the submission of the report, administrators record and any member recommendations.

The Council meeting in April will be held on the 13th April 2026, and it is requested that the revised date for the submission could be the 17th April 2026 to ensure that the administrator's record of the meeting can accompany the report.
