**Re Planning application Case No.324069
Proposed Coastal Erosion and Coastal Management at Burrow,
Co. Dublin**

Dear Sir/Madam,
With reference to the above planning permission.

We wish to put on record our full support for the proposed remedial works.

For the past 40 years our family has visited relatives in the area and it was with great dismay we watched the damage the erosion was doing to the beach. Indeed it was not only the beach but many residents' homes were under threat. We know that one family lost their home due to the ongoing erosion.

Hopefully the proposed work will restore the beach and protect the homes of the many worried residents.

Yours sincerely

Marie Cahill
