Approval for the proposed scheme

Hi my name is Eithne Hand, I have lived in Portrane all my life, I grew up in Seaview Park playing out on the beach. It was my playground. I have reared my children here. They also have had the enjoyment of the gorgeous beach. It would be such a shame to let it go into the sea.

I am delighted to hear there is a proposed solution to the devastating erosion. I support it 100 percent. The proposed groynes would be a huge benefit. Currently, my home, like so many others along Portrane beach, is at risk of flooding, as we are just meters from the sea. The groynes would protect the coastline, safeguarding homes and infrastructure from the destructive forces of the sea. They would also help to preserve the natural beauty of the area, ensuring that future generations can enjoy the beach, just as I did growing up. It would be such a shame to let it go into the sea. Investing in these groynes is an investment in the future of our community, protecting our homes, and preserving the unique character of Portrane.

Thank you for taking the time to read my submission. Please save our beach, save my Home.

Kind regards,  
Eithne Hand
