Approval for the proposed scheme

3\03\2026

Can I introduce myself? My name is Wayne Hand. I have lived in Portrane all my life. It's my home, it's where I come from but its been washed away but there is hope in the form of Groins. This is why I need to express my approval for this coastal flood defence before I lose my home.

We live within a few meters of the beach and have witnessed the beach erode over time these GROINS WILL SAVE OUR HOME im pleading with you to allow the construction of this flood defence mechanism to go ahead as a matter of immediate emergency There have been neighbours of ours who have lost their home already. We don't want to be another casualty.

There has been a lot of detail gone into this proposal and ive witnessed it first hand in europe where it has been hugely successful along with the beach rejuvenation it allows for ecology to flourish introduces beach rejuvenation it has everything we need to work with nature to allow our community to survive this said i ask you to approve these measures for the survival of the Burrow beach Portrane.

Thank you for taking the time to read my submission. Please save our beach, save my Home. I have attached photos below of the beach.

Yours faithfully

Wayne Hand
