

Notes

All dimensions in meters unless otherwise noted. Do not scale from drawings, use figured dimensions only.

Drawings based on OSI digital vector mapping for the area. License No: CYAL50477060

The Aglish Solar Farm and ancillary infrastructure shown outside of the Development Site Boundary has been subject to a separate planning application (Cork County Council Reference 246157; An Coimisiún Pleanála Reference ACP-323402-25). It is shown here for reference purposes only.

Please refer to Site Location Map for the full extent of Site Notice Locations.

Cork County Council has previously requested that Cultural Heritage Sites are indicated on planning application drawings. These are indicated as per that requirement. Please refer to the submitted Archaeological, Architectural and Cultural Heritage Impact Assessment Report for further details on these sites.

Drawings are for planning only and should not be used for detailed design. This drawing is based on Rev 10 (released November 2024) of the EirGrid standard layout drawing no. "XDN-LAY-ELV-STND-H-001-R10". The detailed design will be subject to EirGrid approval based on their latest specification at the time, and equipment dimensions/sittings may vary once the exact specifications are determined.

Legend

- Development Site Boundary
- Landowner Boundary
- 110kV Underground cables
- Section of 110kV Line to be Decommissioned
- Access Track
- Cut Area
