

Notes

All dimensions in meters unless otherwise noted. Do not scale from drawings, use figured dimensions only.

Drawings based on OSI digital vector mapping for the area. License No: CYAL50477060

The Aglish Solar Farm and ancillary infrastructure shown outside of the Development Site Boundary has been subject to a separate planning application (Cork County Council Reference 246157; An Coimisiún Pleanála Reference ACP-223402-25). It is shown here for reference purposes only. The Access Track and Dry Construction Deck Crossing form part of the Aglish Solar Farm planning application as described above.

Cork County Council has previously requested that Cultural Heritage Sites are indicated on planning application drawings. These are indicated as per that requirement. Please refer to the submitted Archaeological, Architectural and Cultural Heritage Impact Assessment Report for further details on these sites.

Drawings are for planning only and should not be used for detailed design. This drawing is based on Rev 10 (released November 2024) of the IrGrid standard layout drawing no. "XDN-LAY-ELV-STND-H-001-R10". The detailed design will be subject to IrGrid approval based on their latest specification at the time, and equipment dimensions/sitings may vary once the exact specifications are determined.
