Re: Planning Application by Soleirtricity Lisheen Ltd for the connection of a 110kV cable and proposed works to the existing Lisheen 110 kilovolt (kV) electricity substation

To whom it may concern,

ESB confirms that it is the legal owner of the Lisheen 110kV electricity substation within Folio TY34283 and TY51843F in the townland of Killoran, County Tipperary. ESB has an application D2021LR150291Y pending in the Land Registry portal relating to these two folios for the transfer of the area in this application D2021LR150291Y from the current folio owners to ESB as per the area outlined in red in Figure 1 below.

As legal owner of the Lisheen 110kV electricity substation, ESB consent to the submission of a planning application by Soleirtricity Lisheen Ltd in respect of the connection of a 110kV cable to the Lisheen 110kV electricity substation in addition to the extension of the electricity substation as per drawing LISH d001.12 dated 5th September 2024.

This consent letter is not intended to be a reflection on the merits or otherwise of this planning application.

This consent letter does not give permission to access the lands for the execution of the proposed works.

Yours Faithfully,

For and on behalf of ESB.
