## **PLANNING APPLICATION FORM**

### **BEFORE FILLING OUT THIS FORM PLEASE NOTE THE FOLLOWING**

Failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application. Therefore please ensure that each section of this application form is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation is attached to the application form.

### **ADDITIONAL INFORMATION**

It should be noted that Tipperary County Council has a number of Development Plans and Local Area Plans that set out local development policies and objectives for each area. The authority may therefore need supplementary information (i.e. other than that required in this form) in order to determine whether the application conforms with the relevant Development Plan/Local Area Plan and may request this on a supplementary application form.

Failure to supply the supplementary information will not invalidate your planning application but may delay the decision-making process or lead to a refusal of permission. Therefore applicants should contact the planning authority to determine what local policies and objectives would apply to the development proposed and whether additional information is required.

<b>Date Paid</b>	
<b>Receipt No.</b>	
<b>Amount</b>	

## **OTHER STATUTORY CODES**

An applicant will not be entitled solely by reason of a planning permission to carry out the development. The applicant may need other consents, depending on the type of development. For example, all new buildings, extensions and alterations to, and certain changes of use of existing buildings must comply with building regulations, which set out basic design and construction requirements. Also any works causing the deterioration or destruction of the breeding and resting places of bats, otters, natterjack toads, Kerry slugs and certain marine animals constitute a criminal offence unless covered by a derogation licence issued by the Minister for Arts, Heritage and the Gaeltacht (pursuant to Article 16 of the Habitats Directive).

## **DATA PROTECTION**

The planning process is an open and public one. In that context, all planning applications are made available for public inspection and the planning authority publish weekly lists of planning applications received as well as weekly lists of planning decisions. This information is also placed on our website [www.tipperarycoco.ie](http://www.tipperarycoco.ie) .

It is the responsibility of persons or entities wishing to use any personal data on a planning application form for direct marketing purposes to be satisfied that they may do so legitimately under the requirements of the Data Protection Acts 1988 and 2018. The Office of the Data Protection Commissioner state that the sending of marketing material to individuals without consent may result in action by the Data Protection Commissioner against the sender including prosecution.

Y- Distance required in Table 4 based on **Mandatory Speed** limit: \_\_\_\_\_ (m)

Y- Distance available at proposed entrance (as measured): Left \_\_\_\_\_ (m) Right \_\_\_\_\_ (m)

If a lower **Operational Speed** is proposed to be used in lieu of the **Mandatory Speed** please complete the table below.

\_\_\_\_\_

Survey completed by : \_\_\_\_\_

**Guidance Note:**

The Y-Distance will, by default, be that corresponding to the Mandatory Speed limit for that road, ie National Roads generally have a speed limit of 100km/h, Regional and Local Roads generally have a speed limit of 80km/h. Only in exceptional circumstances may a lower speed be proposed to determine the Y-Distance. The use of a lower speed must be justified by the Applicant in the Planning Application. The sightlines should always be indicated on the drawings accompanying the Application. This should include the sightline corresponding to the Mandatory Speed limit as well as any proposed sightline, if different. These should be indicated in different colours for clarity, with the distances indicated on the drawing.

When carrying out a speed survey, the driver should drive normally within the traffic flow or at a comfortable speed for the road geometry. Driving at an inappropriately slow speed for the purpose of reducing the Y-Distance will not be accepted.

Tipperary County Council shall determine whether the appropriate speed and sight distance has been used for each planning application.

## **Directions for completing this form**

1. Grid reference in terms of the Irish Transverse Mercator.
2. "The applicant" means the person seeking the planning permission, not an agent acting on his or her behalf.
3. Where the plans have been drawn up by a firm/company the name of the person primarily responsible for the preparation of the drawings and plans, on behalf of that firm/company, should be given.
4. A brief description of the nature and extent of the development, including reference to the number and height of buildings, protected structures, etc.
5. Gross floor space means the area ascertained by the internal measurement of the floor space on each floor of a building; i.e. floor areas must be measured from inside the external wall.
6. Where the existing land or structure is not in use, please state most recent authorised use of the land or structure.
7. Part V of the Planning and Development Act 2000, as amended applies where –
  - There is an application for the development of houses on land,
  - there is an objective in the Development Plan for the area for a percentage of the land to be made available for social and/or affordable housing; and
  - the proposed development is not exempt from Part V.
8. Under Section 97 of the Planning and Development Act 2000, as amended, applications involving development of 4 or fewer houses or development on land of less than 0.1 hectare may be exempt from Part V.
9. Under Section 96(13) of the Planning and Development Act 2000, as amended, Part V does not apply to certain housing developments by approved voluntary housing bodies, certain conversions, the carrying out of works to an existing house or the development of houses under an agreement made under section 96 of the Act
10. The Record of Monuments and Places, under Section 12 of the National Monuments Amendment Act 1930 - 2004, is available, for each county, in the local authorities and public libraries in that county. Please note also that if the proposed development affects or is close to a national monument which, under the National Monuments Acts 1930 - 2004, is in the ownership or guardianship of the Minister for the Environment, Heritage and Local Government or a local authority or is the subject of a preservation order or a temporary preservation order, a separate statutory consent is required, under the National Monuments Acts, from the Minister for the Environment, Heritage and Local Government. For information on whether national monuments are in the ownership or guardianship of the Minister for the Environment, Heritage and Local Government or a local authority or are the subject of preservation orders, contact the National Monuments Section, Department of the Environment, Heritage and Local Government (1890 20 20 21).

11. An Environmental Impact Assessment Report (EIAR) is required for classes of development prescribed by Article 93 and Schedule 5 of the Planning and Development Regulations 2001, as amended. In accordance with Article 103 of the Planning and Development Regulations 2001, as amended, an EIS may also be required for developments below the prescribed threshold if the planning authority considers that the development is likely to have significant effects on the environment or, where the development would be located on or in an area, site, etc. set out in Article 103(2), it considers that the development would be likely to have significant effects on the environment of that area, site, etc.
12. An appropriate assessment of proposed development is required in cases where it cannot be excluded that the proposed development would have a significant effect on a European Designated site. A European Designated Site is either a Special Area of Conservation (SAC) or a Special Protection Area (SPA). It is the responsibility of the Planning Authority to screen proposed developments to determine whether an appropriate assessment is required and where the Authority determines that an appropriate assessment is required, the Authority will normally require the applicant to submit a Natura Impact Statement (NIS). Where the applicant considers that the proposed development is likely to have a significant effect on a European Designated site it is open to him/her to submit a NIS with the planning application.
13. The appeal must be determined or withdrawn before another similar application can be made.
14. A formal pre-application consultation may only occur under Section 247 of the Planning and Development Act 2000, as amended. While it is not mandatory, a pre-planning consultation is recommended. The applicant should contact the planning authority to arrange specific times and locations. In the case of residential development to which Part V of the Planning and Development Act 2000, as amended applies, applicants are advised to avail of the pre-application consultation facility in order to ensure that a Part V agreement in principle can be reached in advance of the planning application being submitted. In the case were a mandatory section 247 consultation is prescribed in the Planning and Development Act 2000, this consultation must be completed prior to lodging a planning application.
15. The list of approved newspapers, for the purpose of giving notice of intention to make a planning application, is available from the planning authority to which the application will be submitted.
16. All plans, drawings and maps submitted to the planning authority should be in accordance with the requirements of the Planning and Development Regulations 2001, as amended.
17. The location of the site notice(s) should be shown on site location map.
18. See Schedule 9 of Planning and Development Regulations 2001, as amended. If a reduced fee is tendered, details of previous relevant payments and planning permissions should be given. If exemption from payment of fees is being claimed under Article 157 of the Planning and Development Regulations 2001, as amended, **evidence to prove eligibility for exemption should be submitted.**
