Re: Planning Application to amend consented Strategic Infrastructure Development (ABP ref: No. 318528) by Lodgewood Solar Farm Limited.

To whom it may concern,

ESB confirms it is the legal owner of the lands registered in Folio WX45753F (plan no. BKQ65) in the townland of Ballycarney, County Wexford.

As legal owner of the lands ESB consents to the submission of an amendment to the consented Tincurry 110kV Substation Strategic Infrastructure Development (ABP ref: No. 318528) by Lodgewood Solar Farm insofar as it affects ESB's land in Folio WX45753F (plan no. BKQ65) for the installation of 110kV underground electricity cables, associated cables and ducts through ESB land to the new proposed bay and busbar extension within ESB Lodgewood 220kV substation as per drawing 300101236-DR-102 (Site Layout – Proposed Amended Infrastructure) dated 19th December 2025.

This consent letter is not intended to be a reflection on the merits or otherwise of this planning application. This consent letter does not give permission to access the lands for the execution of the proposed works.

Yours Faithfully,

For and on behalf of ESB.
