Re-set for Spring with an Evening of Wellness at Dunboyne Castle Hotel

This event takes place at The Spa and features mindfulness coach, Emma Kehoe

The Spa at Dunboyne Castle Hotel will host an evening dedicated to modern self-care, mindfulness and skin longevity on Thursday, March 26 from 6pm to 9pm.

Step away from busy schedules and immerse yourself in an inspiring and restorative experience guided by mindfulness coach Emma Kehoe.

Small but powerful habits that can make a lasting difference and Emma will draw on her personal journey navigating social pressures, travel and work to lead an engaging conversation and Q&A on practical self-care, featuring realistic, sustainable approaches to supporting energy, skin health, and long-term wellness.

On the night, The Spa is also set to launch its new Comfort Zone Longevity Pro-Collagen Facial, an advanced treatment designed to improve the tone and firmness of the skin while preserving elasticity and hydration.

Developed to visibly reduce the appearance of wrinkles and combat skin sagging, this cutting-edge facial combines the exclusive Longevity Complex with highly concentrated modern plant chemistry formulas to

recreate optimal conditions for radiant, healthy-looking skin.

The treatment features the advanced Rolling Roulage Lx massage technique, expertly performed to stimulate and support the skin's structure, alongside a professional dry mask infused with deeply hydrating and plumping ingredients.

The result is a visibly smoother, firmer and more supple complexion with enhanced glow and definition.

CONSULTATION

Throughout the evening, attendees will enjoy personalised skin consultations with The Spa's expert therapists, relaxing taster treatments to calm the mind and refresh the complexion, an exclusive luxury goodie bag, and the opportunity to redeem the €20 ticket price against any future treatment booked on the night.

Places are limited and must be pre-booked. Tickets are €20 per person and are fully redeemable against a future treatment reserved during the event.
