Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

As a person adopted from Bessborough in 1964, I believe it wholly unacceptable- morally, ethically and respectfully ,to construct such a development , when so many remains, both of babies and mothers are yet to be located and identified for their families. To do so denegrates the memory of those short lived children's unhappy lives and buries beneath the last opportunity for families to locate and honour all whoselie here in the future. I appeal to the council to find against this development which only serves the profit lines of the developers involved.
