

An Bord Pleanála

Case 324153

This is an observation on the plan to build apartments on the grounds of Bessborough
Submitted by Madeleine Flanagan, 9 Lakeview, Claregalway, Co.Galway

I would like to add my voice to objections to this proposed development. As an adoptive mother, I feel that common decency calls for respect for mothers and their children who occupied Bessborough. Burial grounds should not be concreted over and built on.
