Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

The proposed large-scale residential development would be on a site where it is likely that around 850 children, victims of Irish institutional abuse, are buried in unmarked graves.

It is absolutely astonishing that Cork County Council would grant planning permission in this case. The State must commit to the excavation of this site as the absolute bare minimum the victims deserve. I object to the granting of planning permission in the strongest possible terms.
