Planning and Development Acts 2000 (as amended)
Notice of Direct Planning Application to An Coimisiún Pleanála in Respect of a Strategic Infrastructure Development - County Clare

In accordance with Section 182A of the Planning and Development Act 2000 (as amended), Cahermurphy Renewables Designated Activity Company gives notices of its intention to make an application to An Coimisiún Pleanála for permission for a proposed development in the townlands of Cahermurphy, Cloonwhite South, Sheeuan, Leitrim, Cloonreddan, Kilmacduane East, Clooncollin, Lissanair, Teernagloghane, Brisla East, Brisla West, Gowerhass, Tullagower, Garraunnaooha, Knockerry West, Carrowfree, Derryrough, Dunneill, Doonmagurroe, Poulndarree, Carrowdottia South, Carrowdottia North Co. Clare.

- The proposed development will comprise:
i. The provision of c.25km of underground electrical cabling (110kV) from the proposed Cahermurphy West Wind Farm development to the existing Moneypoint 110kV electrical substation to facilitate a connection to the national grid;
ii. Provision of 36 no. joint bays, communication chambers and earth sheath links along the proposed underground electrical cabling route;
iii. Permanent and temporary Site Drainage;
iv. Reinstatement of land, road and track surface above the proposed cabling trench;
v. All related site works and ancillary development considered necessary to facilitate the proposed development.

A ten-year planning permission is being sought. The development subject of this application will facilitate the connection of the proposed 8 no. wind turbine Cahermurphy West Wind Farm development to the national electricity grid. A separate, concurrent planning application for the Cahermurphy West Wind Farm development is also being lodged to An Coimisiún Pleanála.

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development and accompany this application.

The EIAR and NIS assess both the full extent of the proposed development as described above in i-v., as well as integral elements of the wider project infrastructure for the Cahermurphy West Wind Farm development including the construction of 8 no. wind turbines with a blade tip height range from 180m to 185m inclusive, a hub height range from 98.5m to 110.5m inclusive and a rotor diameter range from 149m to 163m inclusive with associated foundations, hard-standing and assembly areas; the construction of 1 no. permanent 110 kV electrical substation including 2 no. control buildings lightning protection, welfare facilities, car parking, and all associated electrical plant and apparatus, security fencing, external lighting, underground cabling, wastewater holding tank and all associated infrastructure, apparatus and landscaping; underground electrical cabling (33kV) and communications cabling connecting the wind turbines to the proposed on-site 110kV electrical substation and associated ancillary works; erection of 1 no. Meteorological Mast of 100m metres above existing ground level, including a lightning rod; construction of new permanent access roads and upgrade of existing roads; upgrade of 1 no. new existing agricultural access to the site; development of 2 no. borrow pits; construction of 2 no. temporary construction compounds and associated ancillary infrastructure; temporary works at 6 no. locations along the N68 national road, R484 regional road and L-2074, L-2082 and L-2048 local roads associated with the facilitation of turbine component and abnormal load delivery to site; permanent and temporary Site Drainage; operational Stage Site Signage; Biodiversity enhancement measures; and all related site works and ancillary development including landscaping considered necessary to facilitate the proposed development located in the townlands of Cahermurphy, Carrowmagry South, Castlepark, Caheraghaacullin, Doolough, Drummin, Kilmihil, Knockalough, Knocknahilla More South, Co. Clare, all of which are essential infrastructure associated with the operation of the proposed development and which, as referenced above, are subject to a separate, concurrent planning application to An Coimisiún Pleanála.

The planning application, EIAR and NIS may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on the 31st March 2026 at the following locations:

- The Offices of An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1 D01 V902 (9:15am – 5:30pm, Monday – Friday).
• The Offices of Clare County Council, Áras Contae an Chláir, New Road, Ennis, Co. Clare, V95 DXP2 (9:00am- 5:00pm Monday- Friday).

The application may also be viewed/downloaded on the following website: www.cahermurphywestgridplanning.ie

Submissions or Observations may be made only to An Coimisiún Pleanála ("the Commission") in writing or online at www.pleanala.ie, 64 Marlborough Street, Dublin 1 during the above-mentioned period of seven weeks relating to:
(i) The implications of the proposed development for proper planning and sustainable development, and
(ii) The likely effects on the environment of the proposed development, and
(iii) The likely effects of the proposed development on a European site, if carried out.

Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Commission not later than 5.30 p.m. on the 19th May 2026 and must include the following information:

- the name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent,
• the subject matter of the submission or observation, and
• the reasons, considerations and arguments on which the submission or observation is based in full (Article 217 of the Planning and Development Regulations 2001, as amended, refers).

Any submissions or observations which do not comply with the above requirements cannot be considered by the Commission. The Commission may at its absolute discretion hold an oral hearing on the application (refer to 'A Guide to Public Participation in Strategic Infrastructure Development' at www.pleanala.ie). The Commission may in respect of an application for permission decide to –

- (a) (i) grant the permission, or
(ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or
(iii) grant permission/approval in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
(b) Refuse to grant permission

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Coimisiún Pleanála (Tel. 01-8588100).

A person may question the validity of any such decision of the Commission by way of an application for judicial review, under order 84 of the Rule of the Superior Courts (S.I. No. 15 of 1986, as amended by S.I. No. 691 of 2011), in accordance with Section 50 of the Planning and Development Act, 2000 as amended. Practical information on the review mechanism can be accessed on the Commissions website (www.pleanala.ie) under the following heading: Legal Notices – Judicial Review Notice. This information is also available on the Citizens Information Service website www.citizensinformation.ie.

Planning and Development Acts 2000 (as amended)
Notice of Direct Planning Application to An Coimisiún Pleanála in Respect of a Strategic Infrastructure Development - County Clare

In accordance with Section 37E of the Planning and Development Act 2000 (as amended), Cahermurphy Renewables Designated Activity Company gives notices of its intention to make an application to An Coimisiún Pleanála for permission for a proposed development in the townlands of Cahermurphy, Carrowmagry South, Castlepark, Caheraghaacullin, Doolough, Drummin, Kilmihil, Knockalough, Knocknahilla More South, Co. Clare.

This development is covered by the provisions of the Renewable Energy Directive III (Directive 2023/2413) and the planning application is subject to a completeness check under section 37JA of the Planning and Development Act 2000, as amended by the European Union (Planning and Development) (Renewable Energy) Regulations 2025.

- The proposed development will comprise:
i. Construction of 8 no. wind turbines with a blade tip height range from 180m to 185m inclusive, a hub height range from 98.5m to 110.5m inclusive and a rotor diameter range from 149m to 163m inclusive with associated foundations, hard-standing and assembly areas;
ii. Construction of 1 no. permanent 110 kV electrical substation including 2 no. control buildings lightning protection, welfare facilities, car parking, and all associated electrical plant and apparatus, security fencing, external lighting, underground cabling, wastewater holding tank and all associated infrastructure, apparatus and landscaping;
iii. Underground electrical cabling (33kV) and communications cabling connecting the wind turbines to the proposed on-site 110kV electrical substation and associated ancillary works;
iv. Erection of 1 no. Meteorological Mast of 100m metres above existing ground level for the measuring of meteorological conditions, including a lightning rod which will extend above the mast;
v. Construction of new permanent access roads and upgrade of existing roads to provide access within the site and to connect the wind turbines and associated infrastructure;
vi. Upgrade of 1 no. new existing agricultural/forestry access to the site, off the L6254 local road, to serve as the sole entrance to the wind farm during its operational phase and to facilitate the delivery of the construction materials and turbine components to site during the construction and operational phases (including the installation of security fencing and gates);
vii. Development of 2 no. borrow pits;
viii. Construction of 2 no. temporary construction compounds and associated ancillary infrastructure including temporary site offices, staff facilities and car-parking areas, all to be removed at end of construction phase;
ix. Temporary works at 6 no. locations along the N68 national road, R484 regional road and L-2074, L-2082 and L-2048 local roads associated with the facilitation of turbine component and abnormal load delivery to site. These works will primarily include the trimming of vegetation and strengthening of road verges;
x. Permanent and temporary Site Drainage;
xi. Operational Stage Site Signage;
xii. Ancillary forestry felling over an area of 21.87ha to facilitate construction and operation of the proposed development;
xiii. Biodiversity enhancement measures including the permanent removal of commercial forestry (deforestation) over an area of 56.3ha and restoration of farmland habitat to good quality hen harrier foraging habitat through diversifying the range and extent of habitats over an area of 67.4ha, and;
xiv. All related site works and ancillary development including landscaping considered necessary to facilitate the proposed development.

A ten-year permission and a thirty five-year operational life from the date of full commissioning of the entire wind farm is being sought and the subsequent decommissioning.

A separate, concurrent planning application for underground electrical cabling (110kV) which will connect the wind farm to the existing Moneypoint 110kV electrical substation is also being lodged to An Coimisiún Pleanála.

An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been prepared in respect of the proposed development and accompany this application.

The EIAR and NIS assess both the full extent of the proposed development as described above in i-xiv., as well as integral elements of the wider project infrastructure including underground electrical cabling (110kV) from the proposed Cahermurphy West Wind Farm development to the existing Moneypoint 110kV electrical substation; joint bays including communication chambers and earth sheath links along the proposed underground electrical cabling route; permanent and temporary Site Drainage; reinstatement of land, road and track surface above the proposed cabling trench and all related site works and ancillary development located in the townlands of Cahermurphy, Cloonwhite South, Sheeuan, Leitrim, Cloonreddan, Kilmacduane East, Clooncollin, Lissanair, Teernagloghane, Brisla East, Brisla West, Gowerhass, Tullagower, Garraunnaooha, Knockerry West, Carrowfree, Derryrough, Dunneill, Doonmagurroe, Poulndarree, Carrowdottia South, Carrowdottia North Co. Clare, all of which are essential infrastructure associated with the operation of the proposed development and which, as referenced above, are subject to a separate, concurrent planning application to An Coimisiún Pleanála.

A design flexibility opinion issued by An Coimisiún Pleanála (Opinion Ref. No.ACP-323567) on the 9th February 2026 accompanies this application. The details unconfirmed in this application are the turbine tip height, hub height and rotor diameter. The range of parameters under which the turbine dimensions will fall are specified in this notice in item i. above and further detailed in the design flexibility opinion that accompanies this application.

The planning application, EIAR and NIS may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on the 31st March 2026 at the following locations:

- The Offices of An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1 D01 V902 (9:15am – 5:30pm, Monday – Friday).
• The Offices of Clare County Council, Áras Contae an Chláir, New Road, Ennis, Co. Clare, V95 DXP2 (9:00am- 5:00pm Monday- Friday).

The application may also be viewed/downloaded on the following website: www.cahermurphywestplanning.ie

Submissions or Observations may be made only to An Coimisiún Pleanála ("the Commission") in writing or online at www.pleanala.ie, 64 Marlborough Street, Dublin 1 during the above-mentioned period of seven weeks relating to:
(i) The implications of the proposed development for proper planning and sustainable development, and
(ii) The likely effects on the environment of the proposed development, and
(iii) The likely effects of the proposed development on a European site, if carried out.

Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Commission not later than 5.30 p.m. on the 19th May 2026 and must include the following information:

- the name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent,
• the subject matter of the submission or observation, and
• the reasons, considerations and arguments on which the submission or observation is based in full (Article 217 of the Planning and Development Regulations 2001, as amended, refers).

Any submissions or observations which do not comply with the above requirements cannot be considered by the Commission. The Commission may at its absolute discretion hold an oral hearing on the application (refer to 'A Guide to Public Participation in Strategic Infrastructure Development' at www.pleanala.ie). The Commission may in respect of an application for permission/approval decide to –

- (a) (i) grant the permission, or
(ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or
(iii) grant permission in respect of part of the proposed development (with or without specified modifications of the foregoing kind), and any of the above decisions may be subject to or without conditions, or
(b) Refuse to grant the permission

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Coimisiún Pleanála (Tel. 01-8588100).

A person may question the validity of any such decision of the Commission by way of an application for judicial review, under order 84 of the Rule of the Superior Courts (S.I. No. 15 of 1986, as amended by S.I. No. 691 of 2011), in accordance with Section 50 of the Planning and Development Act, 2000 as amended.
