Re: Applicants ref: 231102 – Strategic Infrastructure Development Carrow Wind Farm, Co Tipperary and Co Limerick.

Dear Sir / Madam,

In the event of planning consent being granted, the applicant should be conditioned to contacting the Irish Aviation Authority to;

- (1) agree an aeronautical obstacle warning lighting scheme for the wind farm development,
- (2) provide as-constructed coordinates in WGS-84 format together with ground and blade tip height elevations at each wind turbine location and;
- (3) notify the Authority of intention to commence crane operations with at least 30 days prior notification of their erection in accordance with S.I. 215 of 2005 Irish Aviation Authority (Obstacles to Aircraft In Flight) Order.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Daniel O'Connell', is written over a light blue rectangular background.
