I am writing as a T.D for Cork South West

I have been asked to put together a letter of Support and no support to the Maughanaclea wind Development REF AC/324 165/26/ 324 165/26.

I do support development of renewable onshore and offshore wind as long as its locations are in accordance with the agreed planning framework.

I will not be forwarding any letter of opposition or support to this development but i strongly urge An Coimisiun Pleanala to take the Cork County Development plan 2022 to 2028 in to full consideration for this application.

This Development plan sets out the agreed framework for the sustainable Development of the area and it is important that this remains central to any consideration.

Regards Michael Collins T.D
