Re: Letter of consent regarding the planning application by Carraigin Power Ltd. for a proposed access route for the Carrigeen Wind Farm Ballaghcullia, Kinclare, Loughbally and Cloonshanville properties in Co. Roscommon

Dear Sirs/Madam,

We refer to the properties known as Ballaghcullia, Kinclare, Loughbally and Cloonshanville, Co. Roscommon as highlighted in yellow on the indicative map attached hereto (hereinafter collectively called **“the Property”**).

We refer to the proposal by Carraigin Power Ltd. to utilise existing roads, construct/upgrade roads for access and carry out tree felling within part of Property as part of the Carrigeen Wind farm (hereinafter **“the Development”**). The proposed location of the access as it concerns the Property is shown on the Map attached hereto. We wish to advise that we have no objection in principle to the submission of a planning permission application which solely relates to the Development as it concerns the Property.

For the avoidance of doubt, this proposal remains subject to Coillte CGA’s internal approval process. Please note that in the event that the proposal does not receive the required internal approvals then in those circumstances Coillte CGA reserves the right to withdraw this letter and will notify your offices by return.

Please note that I have no authority to bind Coillte to any form of agreement.

Should you have further queries, please do not hesitate to contact us.

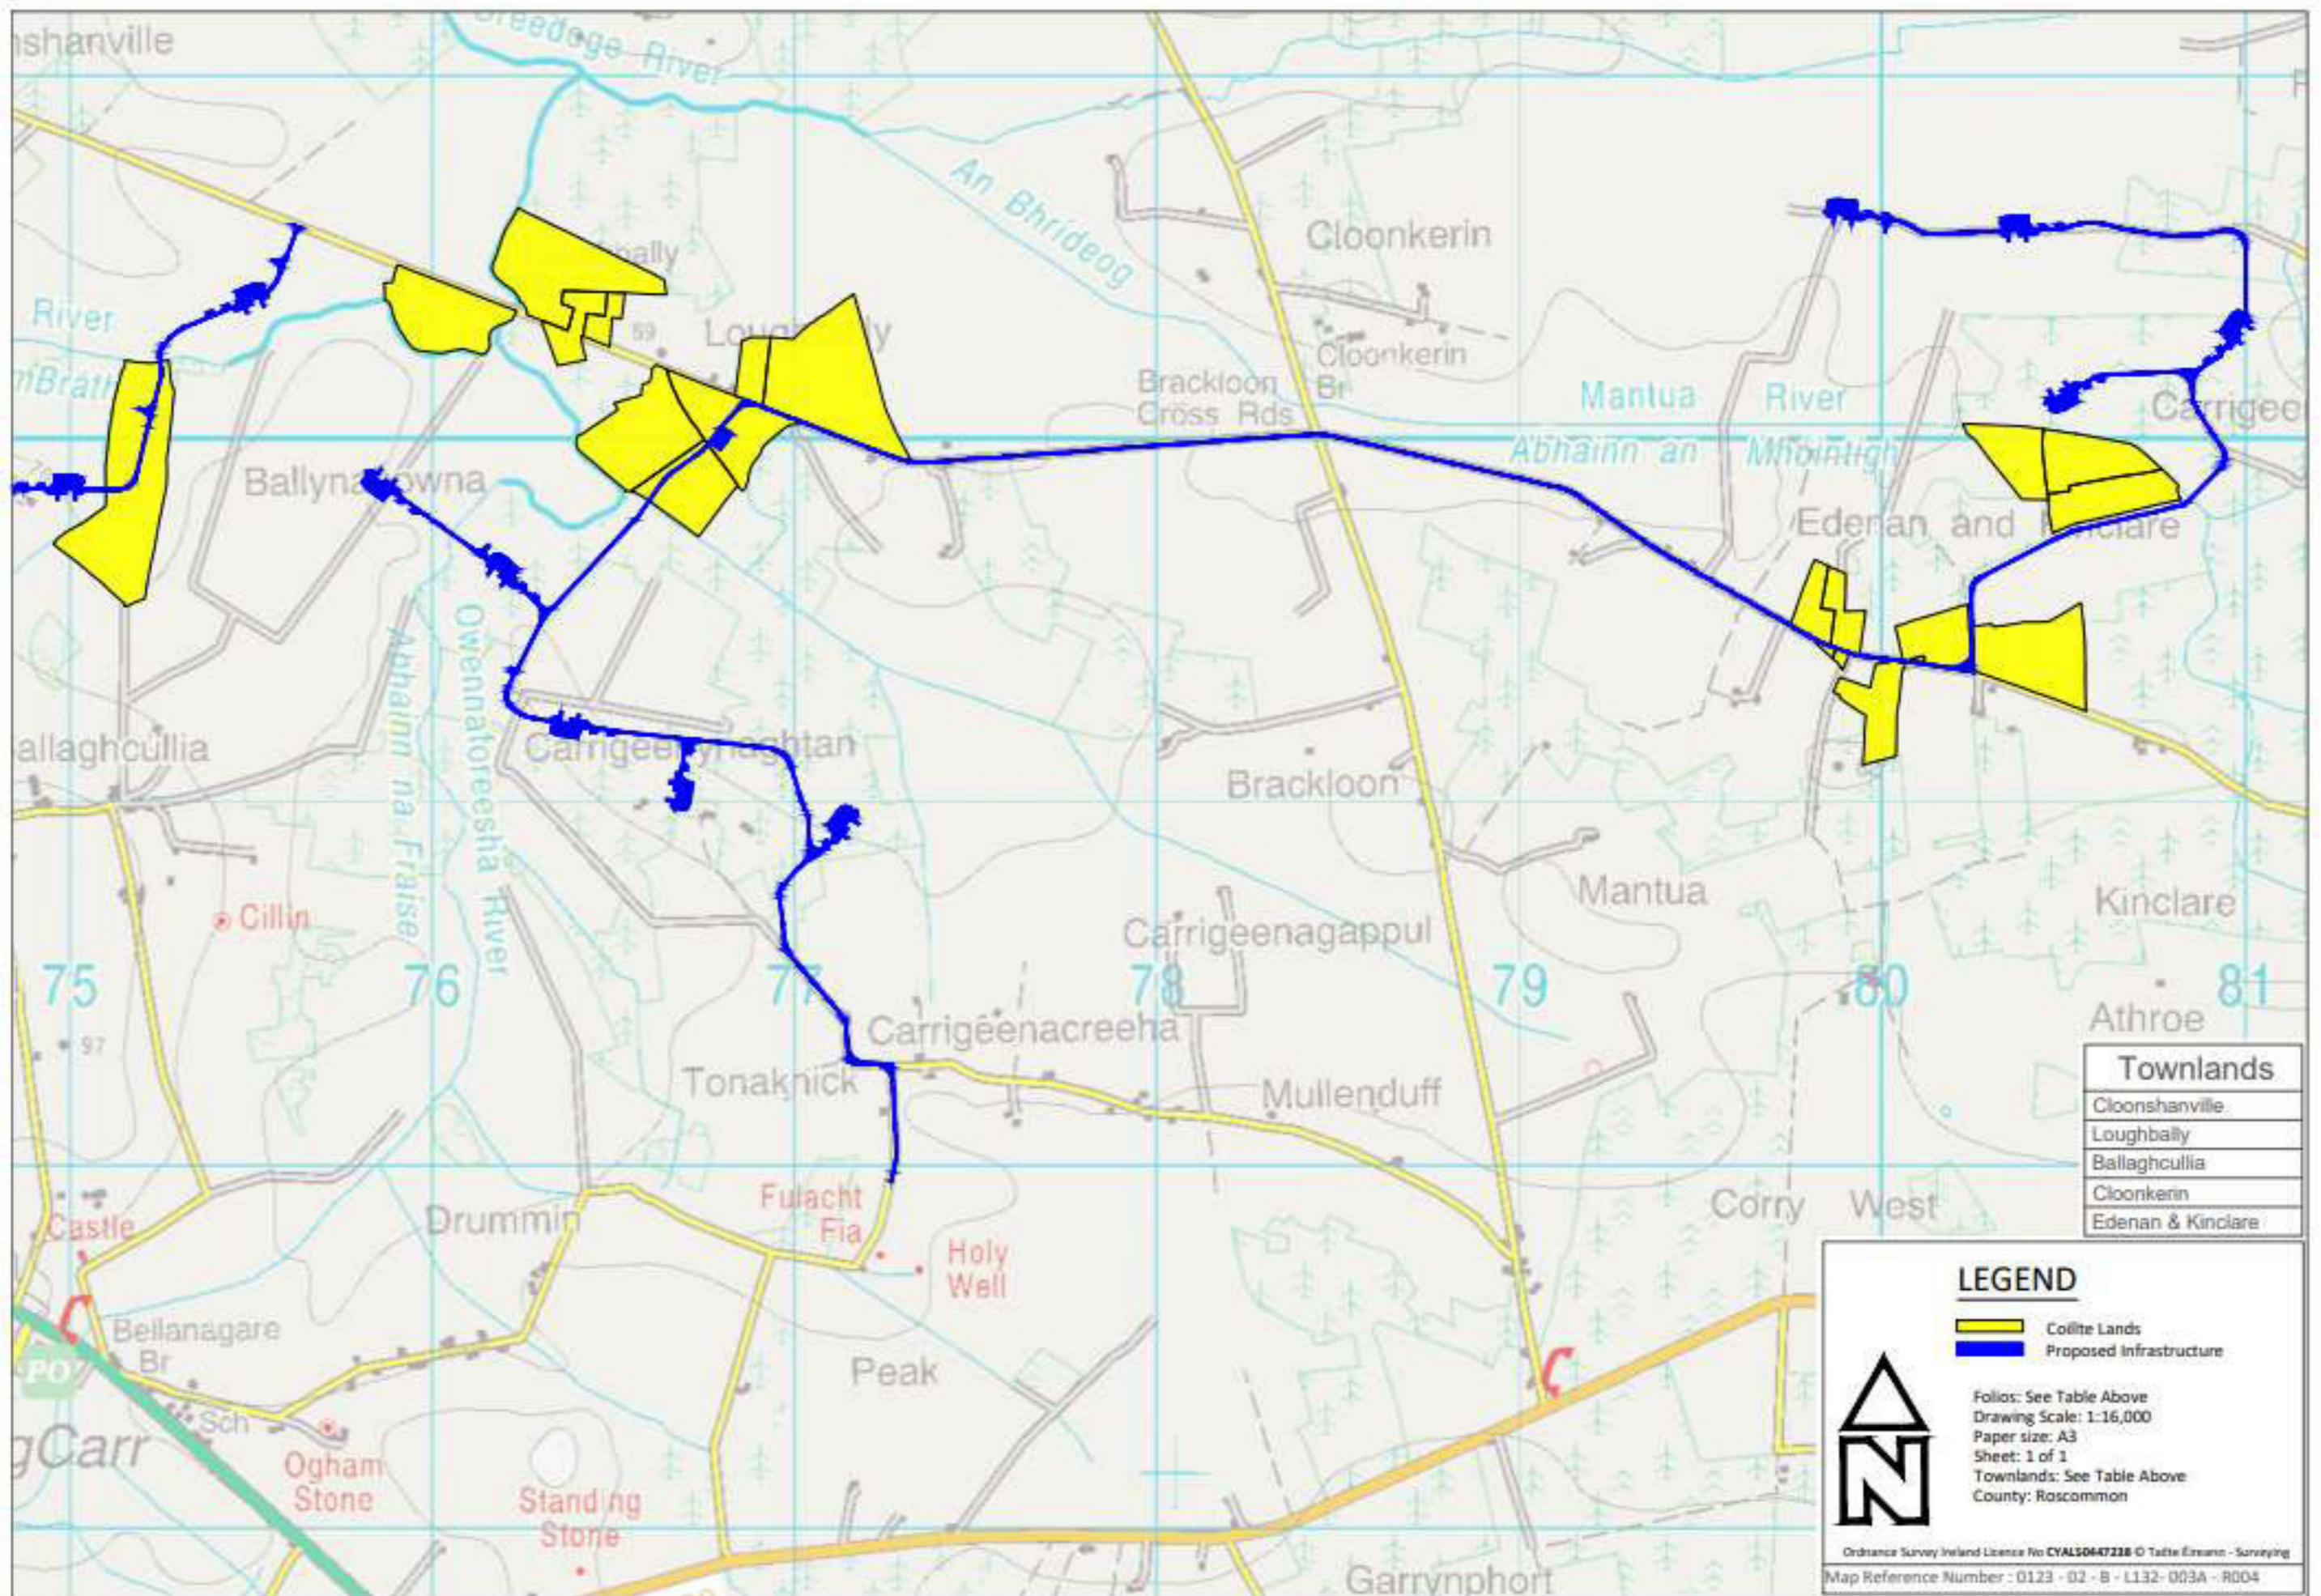

Yours sincerely,

Ashley Culbert
