Sender/retailer has shared details of your item to An Post

I received this tracking update a few days ago but haven't received any since, why is this?

My tracking said An Post had received my item and now says that An Post has received details of my item?

What does 'Sender/retailer has shared details of your item to An Post' mean?

Why did I receive this tracking update?

Need help with your post?

My item has not moved, why is this?

Why has my postal item been returned to sender?

How can I pay the customs charge?

Why do I need to pay customs charges before An Post delivers my item?

What should I do if my post is missing, damaged or opened?

I have not received my online shopping order yet, what should I do?

How many times will you attempt delivery?

What happens if I miss a delivery?

Why is there an An Post fee included in the charges?

Why is my post late or delayed?

Didn't find the answer you were looking for?

At An Post, we're here to help our customers. If you are unsure about how to trace your item or have missed a delivery, this is the right place to find answers to those and other frequently asked queries, such as redirecting your mail or calculating costs.
