Dear Commissioners,

Re: Review of Section 5 Declaration
An Coimisiún Pleanála - Case Reference: RL10.324191
Kilkenny County Council Planning Authority Case Reference: DEC934
Lands at Newrath, Co.Kilkenny

The Newrath Residents and Business Association (NRBA) represents residents, landowners and business operators in close proximity to the subject lands at Newrath, which adjoin the River Suir.

This submission responds to the appeal seeking a review of the Section 5 Declaration issued by Kilkenny County Council (Ref. DEC934, dated 10 March 2026), which determined that the works carried out at the site constitute development and are not exempted developments. The NRBA supports that determination in full based on the reasons set out in the Planning Authority's declaration and report.

The NRBA would be grateful if the Commission could kindly notify the NRBA of its decision, insofar as this is within the Commission's remit to do so.

Yours faithfully,

For and on behalf of the Newrath Residents and Business Association (NRBA)
