14th August 2026

**Re: Proposed Development of 110kv Substation and all associated works located in
the townland of Boyhill, County Galway
ACP Case No. 324202-26**

A Chara,

On behalf of ESB Networks DAC (ESBN), I refer to the above case number and in particular to correspondence received from An Coimisiún Pleanála (ACP) dated 10th of July 2026. A meeting was held on the 5th of June 2026 between ESB and ACP as part of the pre-application consultation under S182A of the Planning and Development Act 2000, as amended.

ESB notes the Meeting Record and has no further comments. We request that the pre-application consultation process be closed, and that ACP proceed to make a determination on the proposed development.

I trust that ACP has all the necessary information required to progress the application at this stage. If you do have any queries, please do not hesitate to get in touch by email at janette.mcdonald@esb.ie or by mobile - 0860840492.

Yours Sincerely,

**Janette McDonald
Planning and Environmental Team Lead
ESB Engineering and Major Projects**
