

Planning and Development Act 2000 (as amended)
Notice of Direct Planning Application to An Coimisiún Pleanála
in Respect of a Strategic Infrastructure Development in County Mayo

In accordance with Section 37E of the Planning and Development Act 2000, as amended, we, Constant Energy Limited, give notice of our intention to make an application to An Coimisiún Pleanála for permission for a period of 10 years, for development comprising the construction and operation of a wind farm and related works in the townlands of Ballymurphy, Ballynaleck, Barnhill Lower, Barnhill Upper, Barroe, Billoos, Carn, Carrickanass, Carrowmore, Castletackan Demesne, Castletown, Conaghra, Glebe, Lackanhill, Lecarrowntemple, Lissadrone East and Lissadrone West, Co. Mayo. The Grid Connection Route will commence in the townlands of Barroe and will continue onto the townlands of Carrad More, Tawnaghmore Upper, Rathbaun, Carrickanass, Cloonavarry, Doonamona, Rathcash, Castlereagh, Rathowen West, Rathowen East, Magherabrack, Cloonawillin, Killala, Mullafarry, Lisglennon, Tawnaghmore Lower, Ballinteean and Carrowreagh Co Mayo.

The development is covered by the provisions of the Renewable Energy Directive III (Directive 2023/2413). The planning application is subject to section 37JA of the Planning and Development Act, 2000, as amended. When a notice issues in accordance with section 37JA(b), the provisions of article 216A of the Planning and Development Regulations 2001 to 2025 shall apply.

The proposed development will consist of the following:

- Erection of 16 wind turbines; The candidate wind turbines have a rotor diameter of 117m, a hub height of 76.5m and a tip height of 135m. No flexibility in terms of turbines dimensions is sought as part of the application for Planning Permission.
- Installation of battery arrays located within container units and associated electrical plant for grid stabilisation adjacent to the Onsite Substation building with surrounding palisade fence 2.65m in height.
- Construction of permanent turbine hardstands and turbine foundations.
- Change of use of a vacant residential dwelling to a permanent operations compound consisting of an operations office, storage area and staff parking, upgrade existing site utilities and replace existing septic tank with a wastewater treatment system.
- Construction of two temporary construction compounds with associated temporary site offices, parking areas and security fencing.
- Installation of one (35-year life cycle) meteorological mast with a height of 80m and a 4m lightning pole on top.
- Development of on-site spoil deposition areas.
- Development of an internal site drainage network and sediment control systems.
- Construction of 1 no. permanent 110 kV electrical substation including 1 no. control building with welfare facilities, all associated electrical plant and equipment, security fencing and gates, all associated underground cabling, wastewater holding tank, and all ancillary structures and works.
- All associated underground electrical and communications cabling connecting the wind turbines to the wind farm substation and battery arrays.
- Ancillary forestry felling to facilitate construction of the development.
- All works associated with the permanent connection of the wind farm to the national electricity grid comprising a 110 kV underground cable in permanent cable ducts from the proposed permanent on-site substation, commencing in the townland of Barroe and continuing onto the townlands of Carn, Rathbaun, Doonamona, Castlereagh, Rathcash, Rathowen East, Rathowen West, Killala, Magherabrack, Farragh, Cloonawillin, Mullafarry, Lisglennon and Tawnaghmore Upper to the existing Tawnaghmore 110 kV Substation in the townland of Tawnaghmore Upper.
- All associated site development works including berms, landscaping, and soil excavation.
- Construction of new permanent internal site access tracks and all associated drainage infrastructure.
- Improvement of nine existing entrances off local roads, one off L-5173, one off L-5179, two off the local road L-5187-47, two off the local L-5187-22 and three off the L-21147-0, all to include localised widening of the road and creation of a splayed entrance to facilitate the delivery of abnormal loads and turbine component deliveries.
- Construction of five new site entrances off local roads, one off the L-31143, one off the L-51791-23, one off the L-31142-0, two off the L-31142-0, and one off the L-5179-22, all to include localised widening of the road and creation of a splayed entrance to facilitate the delivery of abnormal loads and turbine component deliveries.
- Upgrade works on the turbine delivery route to include the following:
 - Localised widening along the L-5187-47, L-31142-0, L5187-22-0, L-5187-47, L21147-0, and roads to a width of 4.5m and the widening of junctions at the crossroads R314 and L-51731 crossroads in the townland of Billoos.

This application is seeking a ten-year permission and a 35-year operational period from the date of overall commissioning of the entire wind farm.

This application is accompanied by an Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS).

The planning application, EIAR and NIS may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on 7th May 2026 at the following locations:

- The Offices of An Coimisiún Pleanála, 64 Marlborough Street, Dublin 1, D01 V902.
- The Offices of Mayo County Council, Aras an Chontae, The Mall, Castlebar, County Mayo F23WF90.

The application may also be viewed/downloaded on the following website: www.tirawleywindfarm.com

Submissions or observations may be made only to An Coimisiún Pleanála (“the Commission”) 64 Marlborough Street, Dublin 1 in writing or online on the Commission’s website www.pleanala.ie during the above-mentioned period of seven weeks relating to: (i) the implications of the proposed development for proper planning and sustainable development of the area concerned; (ii) the likely effects on the environment of the proposed development, if carried out, and (iii) the likely effects of the Proposed Development on a European site, if carried out.

Any submissions/observations must be accompanied by a fee of €50 (except for certain prescribed bodies) and must be received by the Commission between **7th May and not later than 5.30 p.m. on 25th June 2026**. Such submissions/observations must also include the following information: (i) the name of the person making the submission or observation, the name of the person acting on his or her behalf, if any, and the address to which any correspondence relating to the application should be sent; (ii) the subject matter of the submission or observation, and (iii) the reasons, considerations and arguments on which the submission or observation is based in full (Article 217 of the Planning and Development Regulations 2001, as amended, refers).

Any submissions or observations which do not comply with the above requirements cannot be considered by the Commission.

The Commission may at its absolute discretion hold an oral hearing on the application. (For further details please see ‘A Guide to Public participation in Strategic Infrastructure Development’ on the Commission’s website www.pleanala.ie).

The Commission may in respect of an application for permission decide to: (a) (i) grant the permission, or (ii) make such modifications to the proposed development as it specifies in its decision and grant permission in respect of the proposed development as so modified, or (iii) grant permission in respect of part of the proposed development (with or without specified modifications of it of the foregoing kind), and any of the above decisions may be subject to or without conditions, or (b) refuse to grant the permission.

A person may question the validity of any such decision of the Commission by way of an application for judicial review, under Order 84 of the Rules of the Superior Courts (S.I. No. 15 of 1986, as amended by S.I. No. 691 of 2011), in accordance with Section 50 of the Planning and Development Act, 2000 as amended. Practical information on the review mechanism can be accessed under the heading “Information on cases / Weekly lists” – Judicial Review of planning decisions, on the Commission’s website www.pleanala.ie or on the Citizens Information Service website www.citizensinformation.ie.

Any enquiries relating to the application process should be directed to the Strategic Infrastructure Development Section of An Coimisiún Pleanála (Tel. 01-8588100).

Comhairle Contae Mhaigh Eo
Mayo County Council

PLANNING AND DEVELOPMENT ACT 2024 (AS AMENDED)

NOTICE OF PROPOSED DRAFT VARIATION NO. 2
OF THE MAYO COUNTY DEVELOPMENT PLAN 2022 – 2028

Notice is hereby given, pursuant to Section 58 of the Planning and Development Act 2024 (as amended), and in accordance with the transitional provisions of the Planning and Development Act 2024 and the Planning and Development Act 2000 (as amended), that Mayo County Council has prepared proposed Draft Variation No. 2 to the Mayo County Development Plan 2022–2028.

The purpose of the proposed Draft Variation No. 2 is to update the Renewable Energy Strategy for County Mayo in order to align with European Union and national planning and climate policy.

The proposed Variation documents together with the accompanying Strategic Environmental Assessment and Appropriate Assessment Screening documents are available to view as follows:

- (i) On the Council’s website at consult.mayo.ie
- (ii) At the Planning Office, Áras an Chontae, The Mall, Castlebar, Mayo, F23 WF90 during normal opening hours between Monday and Friday.

Written submissions or observations in respect of the proposed Variation 2 may be made to the Planning

Authority in the following ways:

- **By post addressed to:** Variation 2 Mayo County Development Plan 2022-2028, Forward Planning, Áras an Chontae, The Mall, Castlebar, Mayo, F23 WF90
- **Via the Council’s online consultation portal at consult.mayo.ie**

PLEASE NOTE:

Submissions/observations to be made by **one medium only** and should include:

- Full Name & Address of person making submission/observation
- Details of organisation/community group/company which you represent where relevant
- Email submissions will **not** be accepted.

The period for making submissions extends from **Tuesday 28th April 2026 to Tuesday, the 26th May 2026 inclusive**.

All submissions will be published on the Council’s Consultation Portal following GDPR compliant redaction. Submissions will also form part of the statutory Chief Executive’s Report presented to the full Council.

Please ensure that your submission does not contain vexatious, libelous, or confidential information, including third-party personal data without consent. Mayo County Council reserves the right to redact any submission, in whole or in part, as necessary.

All personal data provided will be treated as confidential in accordance with Data Protection legislation.

Written submissions or observations redacted for privacy purposes shall, save in exceptional circumstances, be published on consult.mayo.ie within 10 working days of its receipt by the authority.

The Chief Executive shall prepare a report on any submissions or observations received during the public consultation period, and this report shall be furnished to the Office of the Planning Regulator, the Elected Members and the Minister, no later than 4 weeks after the public consultation process is completed.

Written submissions/observations made to the Planning Authority within the above period shall be taken into consideration by the Office of the Planning Regulator before it makes a recommendation to the Minister on the matter.

Dated this day, 28th April, 2026.

Joanne Grehan,
Director of Services
Planning, Economic Development, Environment & Climate Change
Mayo County Council
