Dear Sir / Madam

RE: STRATEGIC INFRASTRUCTURE DEVELOPMENT (SID) APPLICATION, CONTAINING AN EIAR, FOR A PROPOSED NEW MENTAL HEALTH HOSPITAL FACILITY AT ST. EDMUNDSBURY HOSPITAL, LUCAN ROAD, LUCAN, CO. DUBLIN, K78 NW63 (PROTECTED STRUCTURE: RPS REF. NOS. 003, 008, 012, 013.)

1.0 INTRODUCTION

The Governors of St. Patrick's Hospital¹ have retained Tom Phillips + Associates,² in association with a multidisciplinary team, to issue, to prescribed bodies listed by An Coimisiún Pleanála ('the Commission') in its Pre-Planning Closure Letter dated 6th January 2026 (Ref. ACP-322151-25), copies of a Strategic Infrastructure Development application in relation to a proposed new Mental Health Hospital Facility and associated site development, in the grounds of the existing St. Edmundsbury Hospital site in Lucan, Co. Dublin.

The proposed development consists of the demolition of an existing single storey 52 No. bed psychiatric ward and the provision of a 200 No. bed inpatient psychiatric hospital, construction of a new 14 No. bed adolescent inpatient psychiatric unit on the site of the existing 52 No. bed unit, continued use of St. Edmundsbury House to expand day-care service delivery, demolition of the existing Dean Clinic buildings to facilitate improved site access from the Lucan Road, restoration and reuse of historic and protected structures, relocation of the southern boundary wall to accommodate future junction works, and minor restoration works to the historic house, alongside associated site works.

The proposal seeks to help address the current shortfall in mental healthcare infrastructure nationally in a manner that accords with policy at all levels, ensuring protection of amenity of all kinds and emphasising the refurbishment and repurposing of historic elements to support hospital operation and improvement.

An Environmental Impact Assessment Report (EIAR) and an Appropriate Assessment (AA) screening have been prepared in respect of the proposed development.

This letter is provided in accordance with ACP's direction to notify the prescribed bodies.
