Dear Sir/Madam,

I hope this email finds you well. I am contacting you in relation to the Coom Green Energy Park Grid Connection Application (ACP Case Ref. 324274), and the correspondence we received from your offices on the 5th of August 2026. We have been working on preparing a response to the submissions, however, they are complex in nature and we are requesting an extension to the timeline by 2 weeks (bringing the deadline for response to the 16th of September) so that we can prepare a robust and detailed response to these observations.

I would appreciate if you could acknowledge receipt of this email at your earliest convenience. If you've any questions or queries, please do not hesitate to contact us.

Kind Regards,

Evan Rossiter
