Dear Sir / Madam,

Having talked to Niamh in ACP earlier today in relation to the Ballincor wind farm planning application (ACP Ref. 324279), please find attached revised letters to Prescribed Bodies which state 3<sup>rd</sup> July as being last date for observations. For ease of reference, I have also attached the planning application form with updated letters to prescribed bodies (note that this is one single file with all addendums merged, including letters to Prescribed Bodies).

We will now contact Prescribed Bodies with new letters and outline 3<sup>rd</sup> July 2026 as being the last date for submissions on this application. We will also update the planning application website.

Many thanks for your cooperation with this matter. Please feel free to contact me at 085 823 1421 with any queries arising from this.

Kind regards

**Daniel Nestor**
