Dear Nicola,

I hope this email finds you well.

I am writing to inform you that I have received dereliction notices concerning a number of properties in Carlow Town. In response, a planning application is currently in preparation to address these matters and progress the development.

I am pleased to advise that we have secured agreement from two adjoining landowners to include their lands in this proposed development, which we believe will enhance the overall scope and potential of the project.

For your reference, I have copied Michael of MOLA, the firm commissioned to deliver this development, on this email to ensure they kept you informed of the latest updates.

Should you require any further information or wish to discuss this matter in more detail, please do not hesitate to reach out.

Kind regards,

Kind Regards,
Stephen O Leary
