

Case Number - 324290

Vincent Sheehan

Boxwood House

Donaghmore

Manorhamilton

County Leitrim

Observation: We have as largely unspoilt environment in the Manorhamilton area.

We would dearly like to try to keep it that way. Many visitors to the area single out its unspoilt nature as the main attraction.

This project will be dropping 14 gigantic wind turbines into an area within 4 miles of the town. I find it hard to believe that

this close to a town is the best option we have.

I am also concerned about our local source of drinking water as this site occupies part of that source.
