Dear Sir/Madam,

I would like to compliment you on the proposed development, bringing much-needed housing to the Swords Area. Having spent considerable time reviewing all the documentation for the proposed development of 360 residential dwellings at Mooretown, Swords, I've noted the following:

There does not appear to be any consideration for the considerable pest control issues which will result from the amount of construction work involved.

I would like to make an 'observation' that you should consider the inclusion of a pest control service for the site to prevent it from causing issues for the residents in the surrounding area.

Regards,

Gerard Wallace
