Re: The proposed Barrymore 110kV Busbar and 110/38kV Transformer
located in the townland of Kill-Saint-Anne North, County Cork.

Dear Sir / Madam,

An Coimisiún Pleanála has received your request to enter into pre-application consultations under section 182E of the Planning and Development Act 2000, as amended, in respect of the above mentioned proposed development. Please accept this letter as a receipt for the fee of €4,500 that you have paid.

Please be advised that the amendments introduced by the Planning and Development (Amendment) Act 2010 provide for the Commission to recover its costs in conducting pre-application consultations. These costs together with costs incurred by the Commission in determining any application made to it will be included in the Commission's decision. The Commission will offset any application fees paid by the applicant against its costs.

Further advice or details in relation to the above will be provided by the Commission at pre-application consultation meetings (if held).

The Commission will revert to you in due course in respect of the request.

If you have any queries in the meantime, please contact the undersigned officer of the Commission or email sids@pleanala.ie quoting the above mentioned An Coimisiún Pleanála reference number in any correspondence with the Commission.

Yours faithfully,

Niamh Hickey
Executive Officer
