In accordance with Section 37E(4) of the Planning and Development Act 2000 (as amended) a CE Report was prepared in respect of the Muingmore Wind Farm Strategic Infrastructure Development. The CE report was circulated to the elected members of Mayo County Council for their consideration in advance of the October Council meeting held in Council Chambers on Monday October 12th, 2026**,** where the following views were provided.

In accordance with Section 37E(5) of the Planning and Development Act 2000 (as amended), the following views, observations and comments of the members were recorded, as follows:

Members supported the report's findings and stressed the importance of upholding the County Development Plan/Renewable Energy strategy. Concerns were raised regarding the suitability of the location, the cumulative impact of wind energy developments in Mayo, infrastructure requirements, and the need to protect environmentally sensitive areas. Members expressed the hope that the Council's submission would be given due consideration by An Comisiun Pleanála, stating that Mayo already makes a significant contribution to renewable energy generation.	**Proposed by:** Cllr. G. Coyle **Seconded by:** Cllr. J. Munnelly **Resolved: -** "That Mayo County Council agree to adopt the recommendations contained in the SID Report for the Muingmore Wind Farm".
