Re: Proposed Muingmore Wind Farm Development

A Chara,

I am Teresa Lally, and I live at Bunnawillian. I am making an observation on the proposed Muingmore Wind Farm.

I think these turbines are ugly to look at. I am concerned about what effect this has on our health.

I am an elderly person who enjoys the outdoors during my retirement. I believe this development will make it difficult to enjoy the outdoors. I am also concerned about the shadow flicker that will affect me personally and my family. I occupy house number 2 on the road diagram as submitted which falls directly in the shadow area.

I have lived here since 1979 and have grown and learnt to love the area. I call it home for me and my family. We do not want to see this natural beauty be destroyed.

I enjoy the wildlife in Blacksod Bay and am concerned about how this project will destroy the marine life that is abundant in the bay.

This is my home, and I am asking that this is properly considered before any decision is made.

For the reasons set out above, I respectfully request that An Coimisiún Pleanála refuse permission for the proposed Muingmore Wind Farm development.

Mise le meas / Yours sincerely,

Teresa Lally
