

Planning Application: case number 324387

Location : Muingmore, County Mayo

Submitted by

Name : Thomas Scanlon

Address : Dooyork

Gessala

Ballina

Co. Mayo

Objection to the above application based on;

1 - Size

- (i) The size of the mills at 180m. these will be visible for miles, actually one could see them from Achill Island on a clear day
- (ii) Site: area will cover approximately 455 hectares. This site is on peatland/Bog land. The results of this will create an industrial site / dead land. The European Commission has referred Ireland to the Court of Justice of the European Union citing persistent breaches of the EU Habitats Directive. This application gives the Commission reason alone.

2- Location

The application relates to an area within waking distance to Blacksod Bay. Please refer to the site maps. The bay comes in very close between Doolough and Gessala. What affect will this have on the marine live in the bay taking into account disturbance of the water tables of the proposed site.

3 - Natural Environment

- (i) The application changes the whole area. relates to an area within waking distance to Blacksod Bay. Please refer to the site maps. The bay comes in very close between Doolough and Gessala. What affect will this have on the marine live in the bay taking into account disturbance of the water tables of the proposed site.
- (ii) Protected wildlife . Annual Bird migration. This will have a very large impact.

Signed : Thomas Scanlon. Dated 6th August 2026
