## APPENDIX 16.2 Plates – Heritage

Plate 16.1: Rectangular and sub-circular anomaly CH8 (Google Earth 2024)

Plate 16.2: Sub-circular anomaly CH10 (Google Earth 2024)

Plate 16.3: Curving field boundary and sub-circular anomaly CH19 (Google Earth 2022)

Plate 16.4: Former Kilkee Railway Station (BH11), facing northwest

**Plate 16.5: Former railway line (CH1) in Dough townland, facing west-northwest**

**Plate 16.6: Former level crossing and keeper's cottage CH1.1, Dough townland, facing west**

**Plate 16.7: Overgrown bridge crossing former railway (CH1), ruinous vernacular structure (CH3) in background, facing south**

**Plate 16.8: Dough-Lisdeen townland boundary (TB1) and the former railway (CH1), facing north**

**Plate 16.9: Former railway CH1) in Lisdeen townland, facing west-northwest**

**Plate 16.10: Level crossing keeper's cottage (CH1.3) situated adjacent to former railway (CH1), facing east**

**Plate 16.11: Ruinous vernacular house (CH5), facing east**

**Plate 16.12: Main railway line (CH1) and short spur line (CH1), facing east**

Plate 16.13: Main railway line (CH1) and short spur line (CH1), facing northeast

Plate 16.14: Former railway (CH1), facing west

Plate 16.15: Flagstones and rubble (collapsed railway bridge, CH1.22), facing south

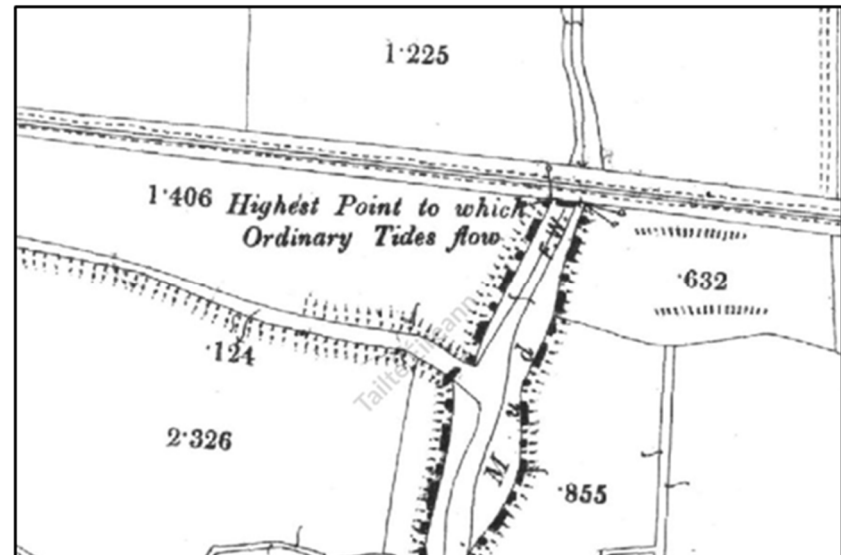

Plate 16.16 Extract from 1898 OS map showing now collapsed railway bridge (CH1.22)

**Plate 16.17: Ruinous structure (CH7), facing south**

**Plate 16.18: Ringfort (AH3), facing southwest**

**Plate 16.19: Modern house/ former Blackweir Railway Station (CH1.7), facing north**

**Plate 16.20: Holiday apartments (CH1.7) situated to the west of the L2016 local road, facing southwest**

**Plate 16.21: Postbox (CH31), facing north**

**Plate 16.22: Blackweir Bridge (BH12), facing north-northeast**

**Plate 16.23: Derelict house (CH32), facing northwest**

**Plate 16.24: Ringfort (AH5), facing northeast**

**Plate 16.25: Former level crossing keeper's cottage (CH1.8), facing southeast**

**Plate 16.26: Ringfort (AH7), facing southwest**

**Plate 16.27: Ringfort (AH8), facing southeast**

**Plate 16.28: Garraun-Baunmore townland boundary (TB3), facing northeast**

**Plate 16.29: Baunmore-Moyasta townland boundary (TB4), facing northeast**

**Plate 16.30: Kilnambanorha Graveyard (AH11 and AH12), facing northeast**

**Plate 16.31: Clearance cairn, facing west-northwest**

**Plate 16.32: Gravestone dated 1848**

**Plate 16.33: Water channel in the east side of Kilnambanorha Graveyard, facing northwest.**

**Plate 16.34: Former railway (CH1), facing east**

**Plate 16.35: Former railway (CH1) running through the Shannon mudflats on top of a stone embankment, facing west**

**Plate 16.36: Disused railway bridge (CH1.10), facing northwest**

Plate 16.37: Disused railway bridge (CH1.10), facing east

16.38: Extract from the 1898 OS map showing the Moyasta Junction railway

Plate 16.39: Small preserved portion of the old road at Moyasta Junction, facing south

Plate 16.40: Group of structures (CH14), facing east-southeast

**Plate 16.41: Train carriage in abandoned railway yard (CH1.12), facing east-southeast**

**Plate 16.42: Narrow gauge railway (CH1.12), facing east-southeast**

**Plate 16.43: Abandoned railway yard (CH1.12), facing southeast**

**Plate 16.44: Ruined structures (CH17) within former railway yard, facing west**

**Plate 16.45: Railway tracks at Moyasta Junction (CH1.11), facing east**

**Plate 16.46: Moyasta Railway Station (BH13) within area of railway infrastructure (CH1.11), facing northeast**

**Plate 16.47: Signal box and railway tracks, facing northeast**

**Plate 16.48: Point lever (CH1.11), facing south**

Plate 16.49: Water cooling crane (CH1.11), facing south

Plate 16.50: Water pump (CH1.11) at Moyasta Junction, facing north

**Plate 16.51: Vernacular house (CH15), facing east-southeast**

**Plate 16.52: Stone-built culvert (CH1.23) situated under CH1, facing northeast**

**Plate 16.53: Moyasta-Carrowncalla North townland boundary (TB5), facing east**

**Plate 16.54: Former railway (CH1) on a stone embankment, facing south**

Plate 16.55: :Large drainage feature (CH1.25), facing north-northeast

Plate 16.56: Large drainage feature (CH1.25), facing south-southwest

Plate 16.57: Extract from the 1898 OS map showing the drainage feature (CH1.25)

Plate 16.58: Bridge (CH37), facing south

**Plate 16.59: Ruinous vernacular structure (CH18), facing north**

**Plate 16.60: Townland boundary between Carrowncalla North and Carrowncalla South (TB6) and former Keepers Cottage and Level Crossing (CH1.16), facing east**

**Plate 16.61: Former railway line (CH1) on raised causeway in the Shannon mudflats, facing south**

**Plate 16.62: Former railway line (CH1), facing west-northwest**

**Plate 16.63: Former railway line (CH1), facing northwest**

**Plate 16.64: Three ruinous stone-built structures (CH26), facing north**

**Plate 16.65: Two stone-built structures (CH27), facing north**

**Plate 16.66: Former level crossing keeper's cottage (CH1.20), facing west**

**Plate 16.67: Former railway (CH1), facing east-northeast**

**Plate 16.68: Scattery Island (CL067-024001; Nat. Mon. 10), as seen from Leadmore West, facing south**

**Plate 16.69: Former railway (CH1) overlooking Kilrush Marina, Kilrush Locks (CH36), Scattery Island and the Shannon Estuary, facing southwest**

**Plate 16.70: The Old Shanakyle Graveyard (AH26 and AH27), facing west**

Plate 16.71: Old Shanakyle Graveyard (AH27), facing east

Plate 16.72: Mid-19th-century mausoleum, facing west

Plate 16.73: Detail of mausoleum- St Patrick and St Senan, flanking the crucifixion and attacking snakes

Plate 16.74: Ruinous vernacular cottage (CH29), facing southwest

**Plate 16.75: Concrete structure (CH30), annotated 'Ice House' on the 1898 OS map, facing west**

**Plate 16.76: Famine pot (CH34)**

**Plate 16.77: Possible slipway (CH35), facing south**

**Plate 16.78: Substantial stone-built embankment supporting former railway (CH1), facing west**

**Plate 16.79: Culvert within stone-built embankment, facing northeast**

**Plate 16.80: Former railway (CH1), facing east-southeast**

**Plate 16.81: Complex of three industrial buildings (BH18) facing east-northeast**

**Plate 16.82: Historic houses (CH30), facing northeast**

**Plate 16.83: Northern gable end of Engine House (BH19), facing south**

**Plate 16.84: Former railway (CH1), heavily overgrown,, facing southeast**

**Plate 16.85: Former railway (CH1) between Merchants Quay and Shanakyle Road, facing southeast**

**Plate 16.86: Level Crossing Keepers Cottage (CH1.24) facing northeast**

**Plate 16.87: Shanakyle Road (TB8), facing west-southwest.**

**Plate 16.88: Panoramic view of CH1.21 where the proposed scheme terminates, facing south**

Plate 16.89: Former Kilrush Railway Station (BH20), facing southwest.

Plate 16.90: Stone-built arch (part of CH1.21), facing west

Plate 16.91: Plaque on the stone-built arch

Plate 16.92: Short stretch of former railway (CH1), facing west

**Plate 16.93: Water pump (part of CH1.21), facing west**
