Re: ACP-324426-26
Description of Development: 10 Year Planning Permission for the construction of an Anaerobic Digestive (AD) facility and ancillary development located in Powerstown, Mildford, Co. Carlow

A Chara,

I refer to your letter dated 9 July 2026 in connection with the above application.

In this regard, Carlow County Council wishes to request a short extension to the timeframe for the submission of the Chief Executive's Report to An Coimisiún Pleanála.

This request arises due to the fact that the Council does not hold a scheduled meeting during August and the next Council meeting is not due to take place until 14th of September 2026. As the report requires consideration by the elected members, we would be grateful if an extension could be granted to allow for its submission by **16th of September 2026**.

We would appreciate your favourable consideration of this request and look forward to your response

Yours faithfully,

Shirley O'Neill,
A/Senior Executive Officer.
