Development Location: townland of Cloonbaul, Co. Mayo.

Development Description: Proposed Development which consists of a 110kV onsite electrical substation, loop-in grid connection, and associated infrastructure and works

A Chara,

Uisce Éireann (UÉ) has reviewed the plans and particulars submitted with the application and has the following observations;

Uisce Éireann has the following observations in respect of the proposed development;

The applicant/operator shall comply with the Water Framework Directive and River Basin Management Plan objectives to ensure that the development will not negatively impact on the water quality of source/receiving waters during both construction and operational phases.

The applicant/operator shall meet the requirements of EIA Directive 2014/52/EU.

The applicant/operator shall comply with the requirements of the Groundwater Directive, Article 6(1) of Directive 2000/60/EC.

In the interest of Public Health and Environmental Sustainability the applicant/operator will comply with best practice Groundwater Protection Schemes set in the GSI Groundwater Protection Schemes.

Where the applicant proposes to connect to a public water/wastewater network operated by Uisce Éireann, the applicant shall sign a connection agreement with Uisce Éireann prior to the commencement of the development and adhere to the standards and conditions set out in that agreement.

In the interest of Public Health and Environmental Sustainability, Uisce Éireann Infrastructure capacity requirements and proposed connections to the Water and Wastewater Infrastructure will be subject to the constraints of the Uisce Éireann Capital Investment Programme.

All development shall be carried out in compliance with Uisce Éireann's Standard Details and Codes of Practice.

Is cuideachta ghníomhaíochta ainmnithe atá faoi theorainn scaireanna é Uisce Éireann / Uisce Éireann is a designated activity company, limited by shares.
Cláraithe in Éirinn Uimh.: 530363 / Registered in Ireland No.: 530363.

To ensure adequate provision and protection of water and wastewater facilities, Uisce Éireann recommends the following;

1. Where the applicant seeks a connection to the public network, the applicant shall enter into a connection agreement with Uisce Éireann prior to the commencement of the development and adhere to the standards and conditions set out in that agreement.
2. There shall be no build over of public infrastructure from these proposals. Separation distances as per Uisce Éireann's Standards Codes & Practices shall be achieved where public infrastructure is in situ within and/or adjacent to site boundaries*.
3. The development shall not impact public drinking water sources and/or abstraction point(s) and/or abstraction infrastructure**.
4. The design and construction of the Water & Wastewater pipes and related infrastructure to be installed in this Development shall comply with the Uisce Éireann Connections and Developer Services Standard Details and Codes of Practice.

Queries relating to the terms and observations above should be directed to planning@water.ie

Yours sincerely,

Dermot Phelan
Connections and Developer Services

Advisory Note(s):

*Uisce Éireann does not permit build over of its assets. Separation distances from public infrastructure, as per Uisce Éireann's Standards Codes and Practices must be achieved. It is the applicant's responsibility to submit a diversion enquiry to Uisce Éireann Diversions Section (diversions@water.ie) prior to construction, where a potential build over of public assets is in question and/or where the applicants proposals cannot achieve separation distances from public infrastructure as per UÉ Standards & Codes of Practice.

** Protection of drinking water source(s) from potentially adverse impacts is a priority for Uisce Éireann. It is Uisce Éireann's current policy to maintain safe and secure drinking water supplies and ensure that development will not give rise to any deterioration in water quality. Development proposals shall not impact public drinking water sources and/or abstraction point(s). It is also a requirement of the Water Framework Directive that waters used for the abstraction of drinking water are protected to avoid deterioration in quality. Development proposals shall not impact public drinking water sources and/or abstraction point(s).

Any person discharging trade effluent** to a sewer, must have a Trade Effluent License issued pursuant to section 16 of the Local Government (Water Pollution) Act, 1977 (as amended). More information and an application form for a Trade Effluent License can be found at the following link: <https://www.water.ie/business/trade-effluent/about/> . Trade effluent is defined in the Local Government (Water Pollution) Act, 1977 (as amended).

Uisce Éireann does not permit surface waters into the public sewer network.
