

APPENDIX 14-1

PHOTOGRAPHIC RECORD

Appendix 14-1 Photographic Record

Meenbog Wind Farm, Co.
Donegal

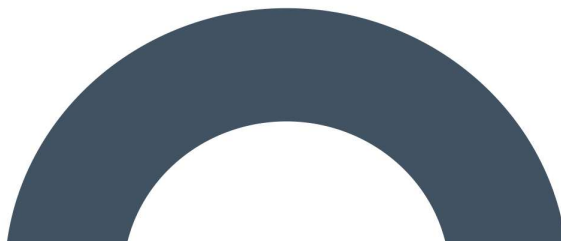

Plate 1: Concrete base at T1, looking NW.

Plate 2: Proposed turning head north of T1, looking W.

Plate 3: Area for proposed assist crane pad NE of T1, looking NE.

Plate 4: Existing steel for turbine foundation at T2.

Plate 5: Area of proposed assist crane pad NW of T2, looking E.

Plate 6: Proposed turning head NW of T2, looking SW.

Plate 7: T3, looking NW.

Plate 8: Proposed turning head NE of T3, looking SE.

Plate 9: Area of proposed assist crane pad NE of T3, looking NE.

Plate 10: Existing concrete base at T4, looking NE.

Plate 11: Proposed peat deposition area E of T4, looking ESE.

Plate 12: Proposed turning head and assist crane pad area, looking NE.

Plate 13: Existing concrete base at T5, looking NE.

Plate 14: Area of proposed assist crane pad NE of T5, looking NE.

Plate 15: T6, looking SE.

Plate 16: Proposed peat deposition area at T5, looking SW.

Plate 17: Area of proposed assist crane pad west of T6, looking NW.

Plate 18: Area of proposed hardstand extension at west end of T6 hardstand, looking SW.

Plate 19: Area of proposed hardstand at T7, looking SE.

Plate 20: Area of proposed turning head north of T7, looking SE.

Plate 21: Existing road to T7, looking N.

Plate 22: Area proposed for T7, looking ESE.

Plate 23: T8, looking W.

Plate 24: Proposed turning head east of T8, looking SE.

Plate 25: T9, looking WNW.

Plate 26: Proposed peat storage area west of T9, looking NE.

Plate 27: Area of proposed extension to hardstand at T9, looking ENE.

Plate 28: Area of proposed assist crane pad east of T9, looking SE.

Plate 29: Area of proposed turning head NE of T9, looking SE.

Plate 30: T10, looking N.

Plate 31: Area of proposed assist crane pad SE of T10, looking W.

Plate 32: Area of proposed met mast, looking NE.

Plate 33: Hardstand and turbine base at T11, looking ENE.

Plate 34: Area of proposed assist crane pad west of T11, looking W.

Plate 35: T12 base, looking NE.

Plate 36: Area of proposed assist crane pad SW of T12, looking NE.

Plate 37: Hardstand at T13, looking WSW.

Plate 38: Proposed peat storage area W of T13, looking NW.

Plate 39: Area of proposed road widening NE of T13, looking NE.

Plate 40: T14, looking NW.

Plate 41: Area of proposed assist crane pad SE of T14, looking NW.

Plate 42: Hardstand at T15, looking NW.

Plate 43: Area of proposed assist crane pad E of T15, looking NE.

Plate 44: T16, looking NE.

Plate 45: Area of proposed assist crane pad W of T16, looking SE.

Plate 46: T17, looking NE.

Plate 47: Area of proposed assist crane pad, SW of T17, looking NW.

Plate 48: T18, looking SW.

Plate 49: Partially constructed peat cell to be completed N of T18, looking NW.

Plate 50: Area of proposed assist crane pad NE of T18, looking NE.

Plate 51: Area of proposed turning head NE of T18, looking E.

Plate 52: T19, looking NE.

Plate 53: Area of proposed assist crane pad W of T19, looking WSW.

Plate 54: Dense forestry in Eastern block of proposed BMEP Site.

Plate 55: Dense forestry in Western block of proposed BMEP Site.
