Re: Use of land as short stay camping site, demolition of toilet and shower block, alteration of existing toilet and shower facilities, trenching works and associated site works at Inch Beach Campsite, Annascaul, Co. Kerry

ACP case ref. SU08.324446

Dear Ms. Littleton Caden,

With reference to your letter of 19 August concerning the above referral, the Authority outlines the following observations for the Commissions consideration;

The Authority notes the subject development site accesses the regional road network with no direct impact to the strategic national road network in the area.

Having regard to the extent of the operations presented in the application documentation and the location of the subject site accessing the regional road network, the Authority has no specific comment to make in relation to the subject development in terms of impacts relating to the safe and efficient operation of the existing or planned national road network in the area.

The Authority has no other specific comments to make in relation to the proposed development and trusts that the foregoing proves of assistance to the Commission in dealing with this matter.

Yours faithfully,

Michael McCormack
Senior Land Use Planner
