An Coimisiún Pleanála
Case No ACP-324446-26,

Dear Sir/Madam,

Thank you for allowing me to make a submission regarding submission by KCC dated 1-10-2
At a glance this submission has alot of inaccuracies.
"ad hoc" seems to have a new meaning! The google photo's in report have been taken when the season was over and doesn't show the true effect this unauthorised campsite has been having on our community. Prior to this campsite we didn't have 45 to 50 campers been attracted to Inch, they would have taken the Tralee-Camp road to Dingle. I also believe that there is a conflict of interest as Kerry Co Council are tennants of the carpark at the beach owned by the Hussain family or company.

The R561 road approaching from the west is a series of "acute" bends (on previous road sign) with entrances from Hussains holiday village, Inch Beach guest house, Seascapes B&B, entrance to L-12135 by road, the old hotel and suddenly motorists are faced going into blind bends, entrance to beach and then this unauthorised camp with three lanes of traffic on a bend during high season.

The footpath along the R561 from the Chevron board east is a great amenity and are very thankful to have, is being completely obstructed over the past 4 years at the campsite with commercial refuse bins put directly on the footpath and left for days. The caravan office directly at the entrance to campsite (see photo KCC) is unashamedly is left there indefinately where campers have to stop before being allowed enter the campsite.

I also believe there are serious safety

concerns in the campsite with vans parked "Cheek by Jowel" no pedestrian crossing and where the safety lies with an unauthorised campsite.

Finially Id like to say I have lived in Inch all my life and hope my children and grandchildren will live with an unblighted Inch as I have. The planning for this unauthorised campsite has been a convoluted, opaque, farce.

Yours Sincerely

Michael Fitzgerald
