Re: Proposed Upgrades to the Mortarstown Wastewater Treatment Plant and Kilkenny Road Pumping Station
Carlow, County Carlow

Dear Sir / Madam,

An Coimisiún Pleanála has received your recent submission in relation to the above-mentioned proposed development and will take it into consideration in its determination of the matter. Please accept this letter as a receipt for the fee of €50 that you have paid.

The Commission will revert to you in due course with regard to the matter.

Please be advised that copies of all submissions / observations received in relation to the application will be made available for inspection on the Commission's website at the following link: <https://www.pleanala.ie/en-ie/case/324447>

More detailed information in relation to strategic infrastructure development can be viewed on the Commission's website: www.pleanala.ie.

If you have any queries in the meantime, please contact the undersigned officer of the Commission. Please quote the above-mentioned An Coimisiún Pleanála reference number in any correspondence or telephone contact with the Commission.

Yours faithfully,

Muirín Gowen
Executive Officer

Application Number: 324447

The proposed panning upgrade to the Sludge processing unit (with proximity to the residential estate The Glen, Mortarstown, Carlow) is far too close & is causing serious smells/odours & noise & will cause further serious issues going forward.

The new redevelopment should be moved to the other side of the site at best as northern wind is sending noxious smells towards estate. This cannot proceed from a Health, Safety & Environmental point of view.
