Hi Aiden,

I hope you're week is going well.

Please see attached the meeting record for the Dublin Airport substation, I will attach to file.

I gave a read through it and just a query. I see they have constituted it as SID due to the operational ownership and the possibility for it to serve the grid in the future. Is this often a determination they make rather than basing it off current operations?

Regards,
Croí

RE: 7th Schedule pre-application consultation in respect of the proposed new 110kV/10kV Primary Substation at Dublin Airport, Swords, Co. Dublin

Applicant: daa plc
Planning Authority: Fingal County Council

We, Coakley O'Neill Town Planning Ltd, NSC Campus, Mahon, Cork, are instructed by daa plc, c/o AtkinsRéalis, Atkins House, 150 Airside Business Park Swords, Co Dublin, K67K5W4 to submit this request to close the pre-application consultation carried out under S182E of the Planning and Development Act, 2000, as amended, in respect of the proposed new HV/MV GIS Substation on a site of 5.67ha to the north and south of the Old Airport Road, south of the main Airport campus at Dublin Airport, Swords, Co. Dublin.

We also respectfully request confirmation that a future application is to be submitted under S182A of the Planning and Development Act, 2000, as amended.

We would also respectfully request clarification on the number of copies (hard and soft) to be submitted to the Commission.

We look forward to the timely receipt of the Commission's opinion on the pre-application consultation carried out under S182E of the Planning and Development Act, 2000, as amended.

Yours sincerely

Aiden O'Neill
Director
