Barnesmore Greenway .
James Feely

Deimnagb Daragal
F94 Y439.

My Complaint is that C.P.O.s should not be used on any lands prepared for these Greenways

Greenways are non-essential infrastructure and the use of C.P.O.s to acquire land is heavy handed. The state has enough to run a green-way from Daragal Town to Ballytrophy via Barnesmore Gap - on the N15 The T.U. are preparing to come to my land at Deimnagb. This land is in SAC and has to be respected at all cost They are preparing to cross over the Esker-River which is all SAC. The river Bankment has a mature woodland of Oak trees which provides a habitat for all wild-life including Red Squirrels In my opinion this Greenway if it were to go ahead would destroy.
P.T.O.

the landscape. of our area

The river-Eske is an iconic river
that runs from the lake to
Daneval Town

I am not opposed to green-ways
but we have to be mindful of
our landscape that has been unspoiled
for generations

I hope you take my letter
on board.
Yours Truly
